

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
Foundational Resources*	
<p>Caring for Our Children (CFOC): National Health and Safety Performance Standards; Guidelines for Early Care and Education Programs, Third Edition (American Academy of Pediatrics, American Public Health Association, National Resource Center for Health and Safety in Child Care and Early Education) – reviewed 07.14.23</p>	<p>https://nrckids.org/files/CFOC4%20pdf-%20FINAL.pdf</p>  <p>CFOC4 pdf-FINAL.pdf</p>
<p>Early Childhood Obesity Prevention Policies; Goals, Recommendations, and Potential Actions (Institute of Medicine [IOM]) -reviewed 07.14.23</p>	 <p>Early Childhood Obesity Prevention I</p>
<p>Inventory of Partnership Assessment Worksheets: This is a collective document of all the stakeholder Partnership Assessment Worksheets identifying what is being done in each agency in regards to obesity prevention for young children. – reviewed 07.14.23</p>	 <p>Inventory of Partnership Assessment</p>
<p>Executive Summary: This summary describes the background and aims of the project, as well as illustrates the process and findings thus far. It then explains what is occurring in Oklahoma and where the ECE obesity prevention focus should be.- reviewed 07.14.23</p>	 <p>Executive Summary_5-11.pdf</p>
<p>State Action Plan Report: This is a 5-page report of 19 ideas compiled from stakeholders that attended the State Action Plan Meeting with prioritized areas of focus and descriptions for each. This document also provides links for additional information, as well as recommendations for the future and resources to meet ECE obesity prevention best practices. – reviewed 07.14.23</p>	 <p>State Action Plan Report_5-11.pdf</p>
<p>Additional Information: This document contains additional information about the curricula, resources, programs, projects and initiatives described within the Partnership Assessment Worksheets.</p>	 <p>Additional Information_5-11.pdf</p>
<p>Stakeholder Directory: The stakeholder directory lists the people’s names, agency, job title, and contact information of the individuals that have been invested in this project. This</p>	 <p>Stakeholder Directory_5-11.pdf</p>

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
<p>was created to foster easier communication among stakeholders.</p> <p>**This only includes the names of individuals who participated in this project- reviewed 07.14.23</p>	
<p>Other States Obesity Prevention Initiatives</p> <p>This document describes obesity prevention initiatives that are utilized in other states and includes links for further information.- reviewed 07.14.23</p>	 <p>Other States Obesity Prevention Initiatives</p>
<p>*Foundational resources apply to all criteria, and applicants should use these as guidance documents. Other resources are supplementary and may also be useful to applicants.</p>	
1. Nutrition	
<p>USDA Child and Adult Care Food Program (CACFP): Exceed the current USDA Child and Adult Care Food Program (CACFP) beverage, meal, and snack patterns by following; https://www.fns.usda.gov/cacfp/meals-and-snacks ensuring a healthy variety of beverages and foods are available for meals and snacks that meet the nutritional needs of the children in the age group served.- updated 07.14.23</p>	<p>Child and Adult Care Food Program: Meal Pattern Revisions Related to the Healthy, Hunger-Free Kids Act of 2010: Guidelines start on page 20.</p>  <p>CACFP guidelines.pdf</p>
<p>Support breastfeeding families by providing private space with an outlet (not a bathroom) and comfortable chair for mothers to pump or express their milk, feed infant, and by safely storing and serving breast milk in bottles that are clearly labeled with child’s name and date of collection.</p>	<p>Centers for Disease Control and Prevention (CDC): http://www.cdc.gov/breastfeeding/pdf/stategy6-support-breastfeeding-early-care.pdf</p> <p>Coalition of Oklahoma Breastfeeding Advocates: http://okbreastfeeding.org/</p>
<p>Providers are educated in infant nutritional needs and proper storing and serving of breastmilk. – reviewed 07.14.23</p>	<p>Centers for Disease Control and Prevention (CDC): http://www.cdc.gov/breastfeeding/pdf/stategy6-support-breastfeeding-early-care.pdf</p> <p>Coalition of Oklahoma Breastfeeding Advocates: http://okbreastfeeding.org/</p> <p>OSDH: https://oklahoma.gov/health/health-education/children---family-health/breastfeeding.html</p>

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
<p>All adults (staff and parents) model proper nutritional habits by following (or exceeding) CACFP guidelines whenever eating or drinking in view of children.</p> <p>https://www.ecfr.gov/current/title-7/subtitle-B/chapter-II/subchapter-A/part-226/subpart-E/section-226.20</p>	<p>Child and Adult Care Food Program: Meal Pattern Revisions Related to the Healthy, Hunger-Free Kids Act of 2010:</p> <div style="text-align: center;">  CACFP guidelines.pdf </div>
<p>Food and beverages (including candy) are not used to obtain or reward desired behaviors or withdrawn or denied as a punishment. – reviewed 07.14.23</p>	<p>Public Health Law Center. https://www.publichealthlawcenter.org/topics/food-justice</p>
<p>Post and follow weekly menus (including dates and dietary substitutions) in a prominent location for families and public to view and retain menu records for at least six months. The menu can also be made available online. Any changes to the menu are communicated to all parents and guardians. NOTE: You must upload a copy of a menu!- updated 07.14.23</p> <p>https://oklahoma.gov/health/health-education/community-outreach/community-development-services/physical-activity-and-nutrition/napsacc.html</p>	<p>Child and Adult Care Food Program: Meal Pattern Revisions Related to the Healthy, Hunger-Free Kids Act of 2010:</p> <div style="text-align: center;">  CACFP guidelines.pdf </div>
<p>Children remain seated while eating and the environment is pleasant, relaxed, socially engaging, and provides opportunities to teach (including infants and toddlers if applicable).</p>	<p>See Foundational Resources</p> <div style="text-align: center;">  99-39 CCP Resource Book FINAL eff. 6-1-21 </div>
<p>Teaching personnel sit and eat with the children when food is served and eaten.</p>	<p>See Foundational Resources</p> <div style="text-align: center;">  99-39 CCP Resource Book FINAL eff. 6-1-21 </div>
<p>Children determine how much they eat within appropriate nutritional guidelines, teaching them to notice hunger and fullness cues in a family style dining setting.</p>	<p>See Foundational Resources</p> <div style="text-align: center;">  99-39 CCP Resource Book FINAL eff. 6-1-21 </div>
<p>Providers are trained in recognizing fullness cues and identifying nutritional needs.</p>	<p>See Foundational Resources</p>

	 99-39 CCP Resource Book FINAL eff. 6-1-22
A notification is sent to parents before serving foods and/or beverages that do not meet CACFP guidelines	https://oklahoma.gov/okdhs/services/child-care-services/child-care-licensing.html
Children always have access to adequate, safe, and freely available drinking water.	Environmental Protection Agency (EPA): http://water.epa.gov/lawsregs/rulesregs/sdwa/index.cfm
2. Physical Activity	
Preschoolers are allowed 90 to 120 minutes of moderate to vigorous physical activity per full (eight hour) day, including running (CFOC Standard 3.1.3.1). – updated 07.14.23	Centers for Disease Control and Prevention (CDC): https://health.gov/sites/default/files/2019-09/Physical_Activity_Guidelines_2nd_edition.pdf#page=46 https://www.ncbi.nlm.nih.gov/books/NBK585062/#:~:text=Recommendations%20for%20Adults%20(Ages%2018%20through%2064%20years)&text=Average%20weekly%20moderate%20intensity%20(3,an%20equivalent%20combination%20of%20MVPA. SPARK: https://sparkpe.org/free-lesson-downloads United States Department of Agriculture (USDA) ChooseMyPlate: https://www.myplate.gov/life-stages/preschoolers
Toddlers are allowed 90 minutes or more of moderate to vigorous physical activity per full (eight hour) day, including running (CFOC Standard 3.1.3.1). – updated 07.13.23	5210 Let's Go!: https://www.mainehealth.org/Lets-Go/Community/Early-Care-and-Education-Programs/Tools SPARK: https://sparkpe.org/free-lesson-downloads
Physical activity is provided throughout the day via the following for all children birth to 12 (CFOC Standard 3.1.3.1): at least two to three occasions of active play outdoors (weather permitting), two or more structured or	SHAPE America: https://www.shapeamerica.org//standards/guidelines/upload/JusttheFacts_EarlyChildhoodSettings.pdf

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
teacher led activities or games that promote movement, continuous opportunities to develop and practice age-appropriate gross motor and movement skills.	
Infants are provided with short periods (3-5 minutes) of supervised tummy time (including those with special needs) if appropriate, taking relationship between caregiver, parent, and healthcare provider into account.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
Infants and/or toddlers are never left in constraining equipment (e.g., high chair, car seat, crib, etc.) for longer than 15 minutes at a time and not used as discipline or punishment.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
Physical activity is provided via a schedule that allows for some form of movement at least every hour, such as basic movement skills, physical fitness, rhythms and dance, games, sports, tumbling, outdoor learning and gymnastics.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
Withholding or using <i>any</i> physical activity for the purpose of punishment is prohibited. – updated 07.14.23	SHAPE America: https://www.shapeamerica.org/advocacy/positionstatements/pa/default.aspx?hkey=1419df96-6adf-49bc-b46b-16c64c33845f
Reasonable accommodations are made for children and infants (if applicable) with special needs in order to meet the required amounts of safe, daily physical activity/opportunities for movement.	Heartland Area Education Agency: https://www.heartlandaea.org/families/spe/spe/services-supports/
Adults (including teachers and caregivers) participate in physical activity with the children whenever possible, taking movement limitations into account, and ONLY if supervision ratios are maintained at all times.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
Consult yearly with a physical activity expert or technical assistance provider (e.g., Child Care Resource and Referral Specialist) to inform physical activity components of program development.	Oklahoma Department of Human Services (OKDHS): http://www.okdhs.org/services/cc/Pages/catscontacts.aspx

3. Health Promotion

Incorporate health and safety education for children (including infants and toddlers if applicable) that includes physical, mental, oral, nutritional, emotional, and social health and integrate into daily curriculum and activities.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
---	---

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
<p><i>Prior to enrollment, all children must be current on immunizations as prescribed by CDC and provide documentation (except for legally allowable exemptions, e.g., medical, religious or personal reasons). With the exception of the homeless, who are exempt from documentation.</i></p>	<p>Centers for Disease Control and Prevention (CDC): http://www.cdc.gov/vaccines/schedules/index.html</p>
<p>Oral Health: All children with teeth should brush or have their teeth brushed with a soft toothbrush of age-appropriate size at least once during the hours the child is in the program. - reviewed 07.14.23</p>	<p>Centers for Disease Control and Prevention (CDC): https://www.cdc.gov/oralhealth/basics/childrens-oral-health/index.html</p>
<p>Provide an area to store toothbrushes that allows space for them to air dry without touching and with nominal exposure to contaminants.- reviewed 07.14.23</p>	<p>Centers for Disease Control and Prevention (CDC): https://www.cdc.gov/oralhealth/basics/childrens-oral-health/index.html</p>
<p>Screen time (time spent using a device such as a computer, television, phone, or game console) is not permitted for children under the age of two (2). – reviewed 07.14.23</p>	<p>National Institutes of Health: http://www.nhlbi.nih.gov/health/educational/wecan/reduce-screen-time/tips-to-reduce-screen-time.htm</p>
<p>Screen time is not permitted for children above age two, OR if permitted, electronic media are age-appropriate, only used for educational or physical activity purposes, and are used with discretion and selectivity, including input from parents/guardians as appropriate (≤30 minutes per week).</p>	<p>National Institutes of Health: http://www.nhlbi.nih.gov/health/educational/wecan/reduce-screen-time/tips-to-reduce-screen-time.htm - or https://www.aacap.org/AACAP/Families_and_Youth/Facts_for_Families/FFF-Guide/Children-And-Watching-TV-054.aspx</p>
<p>Programs refer children and families to appropriate resources as needed and requested (medical, psychological, educational, etc.) beyond state mandated reporting, which includes access to crisis intervention services or specialists at the closest available location.</p>	<p>Heartline Oklahoma: https://heartlineoklahoma.org/</p>
<p>A staff member performs a general health check of every child at the beginning of each day to identify possible illness, injury, behavior changes, rashes, itching or scratching (including lice), and temperature; staff contacts the Warmline for follow up guidance as needed.</p>	<p>Oklahoma State Department of Health (OSDH): https://oklahoma.gov/health/services/children-family-health/child-guidance-program.html</p>
<p>Referrals available for routine health supervision (e.g., primary care provider) as needed.</p>	<p>Heartline Oklahoma: https://heartlineoklahoma.org/</p>

CERTIFIED HEALTHY EARLY CHILHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
Age-appropriate protection (including appropriate clothing) from the elements (e.g., sun, wind, temperature, rain, snow, etc.) when children are outside is provided. <p>Develop and implement written safety and health policies including, but not limited to: crisis management (environmental, mental, and physical), fire safety, weather safety, intruder safety, bullying (only for children over four), traveling and field trips, transportation of children/child passenger safety, and child abuse reporting.- reviewed 07.14.23</p>	<p>Child Care Aware: http://childcareaware.org/child-care-providers/management-plan/policies-and-procedures</p>
<p>Individual children’s food allergies are posted where they can be seen by staff (but not by other children, parents/guardians, or the public), in addition to where food is served. – reviewed 07.14.23</p>	<p>Food Allergy Research and Education (FARE): http://www.foodallergy.org/</p>
<p>Program must have a disaster kit prepared following OKDHS kit suggestions.</p>	<p>Oklahoma Department of Human Services (OKDHS) Licensing: https://oklahoma.gov/okdhs/services/child-care-services/child-care-licensing.html</p>

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
Program must have a 72- hour supply of food and water at all times for all individuals on the premises in case of emergency.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-2020
Water served for drinking or used with cooking is filtered to remove heavy metals before serving (ex. Filtered water pitchers, filter attached to faucet, etc.)- reviewed 07.14.23	Center for Disease Control and Prevention: https://www.cdc.gov/nceh/lead/leadinwater/default.htm
Facilities (including homes) built or containing paint produced prior to 1978 have passed a lead inspection. - reviewed 07.14.23	Oklahoma State Department of Health (OSDH): https://oklahoma.gov/health/services/children-family-health/screening-and-special-services/oklahoma-childhood-lead-poisoning-prevention-program.html

5. Community and Family Involvement

On site family education opportunities on various health and safety topics are provided by program staff or guest educators (including, but not limited to, nutrition/cooking, physical activity, bullying prevention, mental health, substance use, suicide prevention, tobacco cessation, literacy, job skills training, home safety planning, early childhood sleep, child passenger safety, etc.)- reviewed 07.14.23	Administration for Children and Families: https://www.acf.hhs.gov/ecd/family-engagement
Written policies pertaining to safety and health are available to parents/guardians in their language and communication channel of choice, as feasible. – reviewed 07.14.23	Child Care Aware: http://childcareaware.org/child-care-providers/management-plan/policies-and-procedures
Provide parent resource materials that are written in plain language or language of their home with minimized text. Utilize pictorials to communicate messages.- reviewed 07.14.23	American Academy of Pediatrics: https://www.aap.org/en-us/advocacy-and-policy/aap-health-initiatives/HALF-Implementation-Guide/communicating-with-families/Pages/Plain-Language.aspx
Promote dissemination and use of culturally sensitive and inclusive educational materials, including health and safety topics, among children (if applicable), personnel, and parents in order to enhance understanding of cultural diversity. -reviewed 07.14.23	CLASP: http://www.clasp.org/resources-and-publications/files/qrs_cultural_competency.pdf

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
	 99-39 CCP Resource Book FINAL eff. 6-1-22
The program provides the following options (check all that apply-one point each):	Oklahoma Department of Human Services (OKDHS) Licensing: https://oklahoma.gov/okdhs/services/child-care-services/child-care-licensing.html
○ “Parents are welcome in the center at all times, such as to observe, eat lunch with a child, or volunteer in the classroom.	
○ Conferences are held at least once a year and at other times as needed to discuss children's progress, accomplishments, and difficulties.	
○ A parent resource area is available, with books, pamphlets, or articles on parenting.	
○ Parent meetings are held, with guest speakers or special events, such as open houses, family potluck dinners, or children's programs.	
○ Parents are informed of the center's program through a parent's bulletin board, handbook, or a regular newsletter.	
○ Parents participate in program and policy development through board involvement, planning meetings, or questionnaires.”	
Program has a daily communication system between program and families, executed through a variety of means, ensuring all families, regardless of language, literacy level, or special needs, receive all programmatic communication.	Communication strategies: https://www.zerotothree.org/resource/how-to-communicate-with-parents/
Document both verbal and written key communication between staff and parents/guardians in writing.	https://news.dailyconnect.com/2022/02/15/a-guide-to-using-technology-to-improve-parent-communication-at-your-childcare-center/ Daily Connect: https://www.dailyconnect.com/
6. Professional Development	
All caregivers/teachers complete at least twenty-four hours of continuing education based on individual competency needs and any special needs of the children in their care, sixteen hours of which should be in child development	Center for Early Childhood Professional Development (CECPD): https://www.cecpd.org/

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
programming and eight hours of which should be in child health, safety, and staff health.	Oklahoma Child Care Resource and Referral Association: http://www.oklahomachildcare.org/
For childcare centers: program/center director is at least 21 years of age and holds, at a minimum, a baccalaureate degree (bachelor's degree) from an accredited institution in relevant field (e.g., early childhood education, child development, etc.), and program/center lead teacher is at least 21 years of age and holds, at a minimum, an associate's degree in relevant field (e.g., early childhood education, child development, etc.) from an accredited institution. For all others: program director/owner/primary caregiver is at least 21 years of age and holds, at a minimum, an associate's degree in relevant field (e.g., early childhood education, child development, etc.) OR is currently accredited by NAFCC and has at least three credit hours in relevant field (e.g., early childhood education, child development, etc.).	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
For all applicants: all other program/center employees including assistant teachers and assistants are at least 18 years of age and hold, at a minimum, a high school diploma from an accredited institution or its equivalent (i.e., GED). All volunteers are at least 16 years of age.	See Foundational Resources  99-39 CCP Resource Book FINAL eff. 6-1-22
For large and small family child care home caregivers: Teachers have active membership in a national, and/or state and local early care and education organization (e.g., family childcare home associations, National Association for Family Child Care (NAFCC), Oklahoma Association for the Education of Young Children (OKAEYC)).	National Association for Family Child Care (NAFCC): https://www.nafcc.org/ Oklahoma Association for the Education of Young Children: https://okaeyc.org/
All staff members that provide direct care have up-to-date CPR/ First Aid training/certification.	Oklahoma Department of Human Services (OKDHS) Licensing: https://cecpd.org/en/training-info/cpr-and-first-aid-training/
Provision of crisis management training and educational resources, which can include emergency preparedness training, conflict resolution, harassment and bullying training, suicide prevention and intervention training, child abuse training, etc.	Center for Early Childhood Professional Development (CECPD): https://www.cecpd.org/ Oklahoma Child Care Resource and Referral Association: http://www.oklahomachildcare.org/ Oklahoma Partnership of School Readiness: https://okschoollreadiness.org/

CERTIFIED HEALTHY EARLY CHILDHOOD PROGRAM RESOURCE GUIDE

Criterion	Resource
Provision of diversity (i.e., cultural competency) training, including a focus on children from different languages, cultures, and ethnic backgrounds, children and families who speak a language other than English, and children with special needs/disabilities or chronic medical conditions.	Center for Early Childhood Professional Development (CECPD): https://www.cecpd.org/ Oklahoma Child Care Resource and Referral Association: http://www.oklahomachildcare.org/
Trauma Informed Care training is offered to staff.	ODMHSAS: https://oklahoma.gov/odmhsas/learning-and-education/training-institute/share.html

7. Staff Health

Opportunities for caregivers/teachers to improve their own health status are provided through health assessments, health education, health-related fitness activities and time to be outdoors.	https://oklahoma.gov/health/services/personal-health.html Heartline Oklahoma: https://heartlineoklahoma.org/
Program has a comprehensive wellness policy for all staff.	Centers for Disease Control and Prevention (CDC): http://www.cdc.gov/nccdphp/dnpao/hwi/policy/index.htm
Program promotes relevant hotlines and corresponding resources (e.g., palm cards) to staff AND families: Oklahoma Tobacco Helpline (1-800-QUIT-NOW), Reach-Out Hotline (1-800-522-9054), National Domestic Violence Hotline (1-800-799-7233), Child Abuse Hotline (1-800-522-3577), Oklahoma Breastfeeding Hotline (1-877-271-6455).
