

CERTIFIED HEALTHY SCHOOL

Certified Healthy Oklahoma is a statewide recognition program that offers a free assessment tool allowing businesses, campuses, communities, congregations, early childhood programs, and schools to gauge where they stand on supporting health with an annual certification award showcasing their commitment to actively promoting wellness.

Benefits

- ◆ Assessment tool to see where your school stands on supporting health
- ◆ Recognition as a school that goes “above and beyond” to create a healthy, nurturing environment
- ◆ Recipients are invited to professional development opportunities to grow in their wellness efforts
- ◆ Enhance your school’s image in the community and add credibility to your school

Eligible Applicants

- ◆ Public or private
- ◆ The applicant is the school site
