EGID policy states that one person must always pay the primary member premium. When a spouse, child or children are insured under a particular benefit but the primary member did not keep that benefit, one person is always billed the primary member rate.

Terms for understanding your insurance

Coinsurance: A percentage of costs you pay after your deductible is met.

Copay: A fixed out-of-pocket amount you pay for covered services.

Deductible: The out-of-pocket amount you pay before insurance pays expenses. Many plans provide certain coverages before deductible. Refer to plan for specifics.

Explanation of benefits (EOB): A statement provided by your health insurance company explaining how medical treatments and services were paid.

Out-of-pocket maximum: A predetermined amount a covered individual must reach before insurance pays 100% of eligible medical expenses.

Premium: The amount you pay for insurance each pay period.

Primary care physician (PCP): A physician you choose who provides both first contact and continuing care for a variety of medical conditions. Some HMOs require a PCP referral for other services.

VISION PLANS

There are no significant plan changes among the vision plans.

GENERAL INFORMATION

The benefits you select will take effect Jan. 1 through Dec. 31, 2026.

After enrollment, the plans you select may provide more information about your benefits. Contact each plan directly if you have questions about your benefits. The contact information is provided at the back of this guide.

It is your responsibility to review your benefits and know what is covered before choosing your benefits.

Enrollment in a plan does not guarantee a provider will remain in your plan's network for the entire year. You enroll with the plan and not the provider. If your provider terminates their contract during the plan year, this does not allow you to change your plan carrier.

Coordination of benefits

Coordination of benefits occurs when you are covered under two insurance plans, one primary and one secondary. Most insurance plans require you to annually verify if you or any of your covered dependents have other health or dental insurance. Failure to verify other insurance coverage may result in denial of claims until verification is completed. You may complete your verification by contacting the plan directly. Refer to Contact Information at the back of this guide.

There are several health plans available:

- ▶ BCBSOK BlueLincs HMO.
- CommunityCare HMO.
- GlobalHealth HMO.

- There are no preexisting condition exclusions or limitations applied to any of the health plans.
- > All health plans coordinate benefits with other group insurance plans you have in force.
- ▶ If you select an HMO:
 - You must live or work within an HMO's ZIP code service area to be eligible.
 Post office box addresses cannot be used to determine your HMO eligibility. Refer to Pages 9-13 for the HMO ZIP Code Lists.
 - You must use the provider network designated by that plan for Oklahoma.

VISION PLANS

There are several vision plans available:

- > Primary Vision Care Services.
- Superior Vision.
- > Vision Care Direct.
- > VSP

Refer to Comparison of Benefits for Vision Plans on Pages 34-38 for benefit information.

- > Verify your vision provider participates in a vision plan's network by contacting the plan, visiting the plan's website or calling your provider.
- > All vision plans have limited coverage for services provided by non-network providers.

If your provider leaves your health, dental or vision plan, you cannot change plans until the next annual Option Period. However, you can change providers within your plan's network as needed.

HEALTHCHOICE REMINDERS

HEALTHCHOICE HEALTH PLANS

Tobacco-Free Attestation for HealthChoice High or Basic

If you are enrolled in the HealthChoice High or Basic plan and wish to stay enrolled in that plan, you must complete the HealthChoice Tobacco-Free Attestation for Plan Year 2026 at https://gateway.sib.ok.gov/Attestation/ by Dec. 31, 2025. This does not apply to members who are enrolling in the HDHP plan. However, if you are currently enrolled in the HealthChoice HDHP plan and wish to enroll in the High or Basic plan for the next year, you will need to complete the HealthChoice Tobacco-Free Attestation. The online Tobacco-Free Attestation for Plan Year 2026 is open Sept. 1 through Dec. 31, 2025. HealthChoice members who are tobacco free can update their Tobacco-Free Attestation online in just a few minutes.

The attestation is waived for members who are new to a HealthChoice plan for the first year of enrollment in the High or Basic plan, but it is required each year thereafter to remain enrolled. If you are in the process of quitting tobacco, you must be tobacco free for 90 days prior to the deadline to attest to being tobacco free.

If you cannot sign the Tobacco-Free Attestation because either you or a covered dependent uses tobacco, you can still qualify for the High or Basic plan if those who use tobacco provide a letter from your doctor indicating it is not medically advisable for you or your covered dependents to quit tobacco, by **Dec. 31, 2025**.

If you do not complete the Tobacco-Free Attestation or complete the reasonable alternative, and you are not in the first-year grace period, you will automatically be moved to the corresponding alternative plans effective Jan. 1, and your annual deductible will be higher. You also have the option of enrolling in the HDHP plan, which does not require the Tobacco-Free

Attestation. Refer to the Comparison of Network Benefits for Health Plans.

Health Savings Account (HSA) for HealthChoice HDHP

HSAs for HealthChoice HDHP members allow you to save money for HSA-eligible expenses and give you the ability to take greater control of your own health care costs.

HealthChoice contracts with American Fidelity Health Services Administration to waive fees and make establishing and keeping an HSA easier and more convenient. For more information about HSAs, contact American Fidelity at the number listed in Contact Information at the back of this guide.

If you choose American Fidelity for your HSA, you must complete the American Fidelity Health Savings Account Form and return it directly to American Fidelity. For additional information, visit **americanfidelity.com**.

HSA card

Use your HSA card to pay for eligible expenses instead of paying out of pocket.

- Direct access to funds.
- Eliminates distribution wait time.
- Accepted at doctor's offices, retailers and pharmacies.

Online account access

Distributions can be requested online either before or after an expense has been incurred. Distributions can be received via check by mail or by direct deposit.

HEALTHCHOICE LIFE INSURANCE PLAN

Please take time this Option Period to consider your life insurance needs. Former employees and surviving dependents have the following life insurance options:

- > Keep your current amount of life insurance.
- > Reduce your amount of life insurance.
- Reduce your amount of Dependent Life insurance.

Your Option Period Enrollment/Change Form indicates the amounts and types of life insurance you currently carry. Please take time to evaluate your coverage. Keep in mind that as a former employee or surviving dependent, you cannot reinstate any life insurance that you decrease or terminate.

Beneficiary designation

You can change your beneficiary designation at any time. For a Beneficiary Designation Form or more information, contact HealthChoice. Refer to Contact Information at the back of this guide. This form is also available at **HealthChoiceOK.com** under the Frequently Used Forms section at the bottom of the page. For Dependent Life, the member is the beneficiary, so no beneficiary designation is needed.

ELIGIBILITY

Members

Former employees (retired, vested, non-vested), COBRA participants and surviving dependents can make certain changes during Option Period.

Former employees and surviving dependents can:

- Change health and/or dental plans currently in place.
- > Drop coverage and/or dependents.
- Decrease life insurance coverage.
- > Enroll in or change vision plans.

COBRA participants can:

- > Add a spouse or eligible dependents up to age 26.
- ▶ Add or change coverage (health, dental, vision) as long as your former employer participates in those benefits.
- Drop benefits and/or dependents.

Dependents

- ▶ If one eligible dependent is covered, all eligible dependents must be covered. Exceptions apply (refer to "Excluding dependents from coverage" in this section).
- ➤ Eligible dependents include:
 - Your legal spouse (including common-law).
 - Your daughter, son, stepdaughter, stepson, eligible foster child, adopted child or child legally placed with you for adoption up to age 26, whether married or unmarried.
 - A dependent, regardless of age, who is incapable of self-support due to a disability that was diagnosed prior to age 26. Subject to medical review and approval.
 - Other unmarried dependent children up to age 26, upon completion and approval of an Application for Coverage for Other Dependent Children. Guardianship papers or a tax return showing dependency can be provided in lieu of the application.
- ▶ If your spouse is enrolled separately in one of the plans offered through EGID, your dependents can be covered under either parent's health, dental and/or vision plan, but not both. However, both parents can cover dependents under Dependent Life.
- ▶ Dependents can be enrolled only in the same types of coverage and in the same plans you elect. For COBRA members, exceptions apply.
- ➤ To enroll your newborn, a letter requesting coverage for the newborn must be sent to EGID within 30 days of the birth. If you are a former employee or surviving spouse and do not enroll your newborn during this 30-day period, you cannot do so later. If you are a COBRA participant and do not enroll your newborn during this 30-day period, you will not be able to do so until the next annual Option Period. Direct notification to a plan will not enroll your newborn or any other dependents. The newborn's Social Security number is not required at the time of initial enrollment but must be provided once it is received from the Social Security Administration. Insurance premiums for the month the child was born must be paid.

- > Without newborn enrollment:
 - HealthChoice: A newborn has limited coverage without an additional premium only for the first 48 hours following a vaginal birth or the first 96 hours following a cesarean section birth. Under the HealthChoice plans, a separate deductible and coinsurance apply.
 - HMOs (BCBSOK BlueLincs, CommunityCare and GlobalHealth): A newborn is covered for 31 days without an additional premium.

Excluding dependents from coverage

- You can exclude your spouse from health, dental and/or vision coverage while covering other dependents on these benefits. Your spouse must sign the Spouse Exclusion Certification section of your enrollment or change form.
- ➤ You can exclude dependents who do not reside with you, are married, are not financially dependent on you for support, have other group coverage or are eligible for Indian or military health benefits.

COBRA: Temporary continuation of coverage

COBRA coverage may be available to dependents who become ineligible due to qualifying events, such as:

- > Reaching age 26 (applies only to dependent children).
- ▶ Divorce of a spouse.
- Death of the covered employee.

IMPORTANT INFORMATION ABOUT BECOMING ELIGIBLE FOR MEDICARE

Eligible for Medicare prior to turning 65

If you are under age 65 and become eligible for Medicare, you must notify EGID to begin the enrollment process into a Medicare supplement plan or Medicare Advantage Prescription Drug (MAPD) plan. You will be asked to provide your Medicare number as it appears on your Medicare health insurance card. Depending on the plan you are enrolled in, you may have different options for your Medicare supplement or MAPD plan. Your Medicare supplement or MAPD plan will become effective the date you become eligible for Medicare or the first of the month after you complete the enrollment process, whichever is later.

Aging into Medicare

Approximately two months before you or one of your eligible dependents turns 65, EGID will send you a letter that explains the Medicare plan options available to you. The letter will also provide instructions on how to enroll with a Medicare supplement plan or MAPD plan.

If you are enrolled in HealthChoice or an HMO, you can enroll in any Medicare supplement plan or MAPD plan within the program (if available in your area). If you or one of your dependents will soon become Medicare eligible, watch your mail for this important enrollment information.

All Medicare eligible members

The Oklahoma Administrative Code provides that all covered individuals who are eligible for Medicare, except current employees, must be enrolled in a Medicare supplement plan or MAPD plan offered through EGID, regardless of age. **To maximize your benefits, you need to enroll in Medicare Part B.** The HealthChoice Medicare supplement plans do not require you to be enrolled in Part B but pay benefits as if you are. The BCBSOK Medicare supplement plan requires you to be enrolled in both Part A and Part B and continue to pay your monthly Part B premium. **All MAPD plans offered through EGID require you to have both Medicare Part A and Part B.**

Creditable coverage

If you are a former employee who is already eligible or will soon become eligible for Medicare, you may be hearing a lot about Medicare prescription drug benefits (Part D) and creditable coverage.

The term creditable coverage, as it applies to Medicare Part D, means that the prescription drug benefits of an insurance plan meet certain standards set by the Centers for Medicare & Medicaid Services. All health plans offered through EGID provide creditable coverage.

The Medicare supplement Part D plans and MAPD plans available through EGID provide creditable coverage. If you drop health coverage through EGID and do not get other Part D coverage or coverage as good as Medicare's in the future, you may have to pay Medicare's late enrollment penalty in addition to your premium for Part D prescription drug coverage.

VISION PLAN NOTES

PVCS: The only Oklahoma-owned and -operated vision care plan with unlimited network services. Member must select either network or non-network for entire year. Network services are unlimited. Non-network services (one eye exam, one set of eyeglasses or contacts) are limited to once annually. A \$50 copay applies to soft contact lens fittings; a \$75 copay applies to rigid or gas permeable contact lens fittings or refittings; and a \$150 copay applies to hybrid contact lens fittings or refittings. Simple replacements are not assessed with these fees. Limitations/exclusions include the following: 1) Medical eye care, 2) vision therapy, 3) non-routine vision services and tests, 4) luxury frames, 5) premium prescription lenses, and 6) nonprescription eyewear. For more information and details, call 888-357-6912 or visit our website at **pvcs-usa.com/okstate**.

Superior: Vision Plan information/detail is available at **superiorvision.com/stateofoklahoma/benefits**. Materials copay applies to lenses and/or frames. Discounts for lens add-ons will be given by contracted providers with DP in their listing. Exams, lenses and frames are provided once per calendar year. Progressive lenses (no-line bifocals) – you pay the difference between the retail price of the selected progressive lens and the retail price of the lined trifocal. The difference may also be subject to a discount with provider offices that accept our discount plans. Standard contact lens fitting applies to an existing contact lens user who wears disposable, daily wear or extended wear lenses only. The specialty contact lens fitting applies to new contact lens wearers and/or members who wear toric, gas permeable or multifocal lenses.

Vision Care Direct of Oklahoma: Oklahoma-owned and -operated by optometrists. With VCD of OK, you get your exam, frames and lenses with free enhancements (progressive lenses with premium anti-reflective and UV coatings) for as little as \$30. Our Frames/Contact Lenses Allowance is \$150, and our Medically Necessary Contact Lenses Allowance is \$750. With our plan, you can use your Contact Lenses Allowance to pay for your Fitting Fee and/or to purchase contacts. This allows you to use your allowance to pay for your fitting and potentially a portion of your contacts, whichever makes the best financial sense for you. Other plans offer discounts for materials, such as UV, Scratch, UV Coatings and Progressive lenses, but VCD of OK takes a different approach and includes these extras at NO ADDITIONAL COST! When you compare the total cost of your premiums and what you spend in the doctor's office, in most cases, we offer a plan that will save you money. Choosing an OK company means your customer service is in state to help you. It also means that you support your local community and schools when you buy a plan based in Oklahoma! VCD of OK is not an insurance company, so our focus is on delivering the very best patient care with quality materials at a very affordable price because we want you to SEE THE DIFFERENCE. Visit okstate.vision for more information and to search for providers in your area. (To get the free upgrades mentioned above, look for the VCD Plus logo when searching for a provider.)

VSP: Exam, lenses and frame benefit provided annually. The \$25 materials copay applies to lenses or frames but not to both. Copays/prices listed are for standard lens options. Premium lens options will vary. If choosing a frame valued at more than the allowance, you save 20% on out-of-pocket costs when using a VSP doctor. You receive an extra \$50 toward frame allowance when selecting a Marchon or Altair frame brand. Contact lenses are in lieu of spectacle lenses and frame. The \$120 network allowance applies to the contact lenses. With a VSP provider, the contact lens exam (fitting and evaluation) is covered in full after a copay up to \$60. The \$105 non-network allowance applies to the contacts and contact lens exam. Contact lens exam is performed in addition to your routine eye exam to check for eye health risks associated with improper wearing or fitting of contacts. Prescription glasses – you receive an extra 20% off additional complete pairs of glasses, sunglasses or lens options at any VSP provider within last 12 months from your exam. Contact VSP or visit **stateofok.vspforme.com** to learn more. VSP members can now use and integrate their benefits online via eyeconic.com. You can virtually try on each pair in the extensive catalog of glasses and sunglasses. You can order glasses and contacts while using your VSP benefit. In addition to your VSP vision insurance, any additional savings will automatically be applied at the time of purchase. Frames can be sent directly to your door, or your provider's office for a final fitting, adjustment, and confirmation that you are completely satisfied.
