Chapter 285 is being amended to conform the rules to statutory amendments made to 63 O.S. § 1-1201et seq. by HB1635. Lodging establishment, as now defined in OAC 310:285-1-2, requires five (5) rooms available for transient guests, instead of the four (4) rooms for transient guests previously required for an establishment to be within the definition. OAC 310:285-3-1(a), as amended, removes the regulation of hotel buildings and their appurtenances from the authority of the State Commissioner of Health.
