INJURY PREVENTION

checklist for caregivers

Check off as you complete each task.

TRANSPORTATION SAFETY

- ☐ Obtain a car seat and have a certified technician help you with installation.

SAFE STORAGE

- ☐ Unload and lock all firearms in a safe or with a gun lock.
- ☐ Store all medications, including medical marijuana, in a medication lock box out of reach.
- ☐ Store chemicals, cleaning solutions, and other potentially toxic items out of reach and locked away.
- ☐ Put the poison control number (1-800-222-1222) in, on, or near your phone.

SAFE SLEEP & INFANT SPACES

- ☐ Identify a safe space (crib, pack-and-play) where baby can be when you're stressed, tired, need a break, or can't hold them.
- ☐ Remove pillows, toys, and blankets from sleep areas, such as a crib, bassinet, or pack-and-play.

HOME SAFETY

- ☐ Install smoke and carbon monoxide detectors and/or check them to ensure they are working.
- ☐ Cover sharp edges and corners.
- ☐ Install window guards and stops.
- ☐ Cover all outlets.
- ☐ Hide electrical cords or put them out of reach.
- ☐ Anchor TVs and furniture to the wall to prevent tip-overs.
- ☐ Pick up small objects/choking hazards on the floor and in play spaces.
- ☐ Install mounted safety gates at the top and bottom of staircases.

WATER SAFETY

- ☐ Empty buckets and other water collection sources.
- ☐ Set hot water heater no higher than 120 degrees.
- ☐ If the property has a pool, install appropriate fencing and alarms on doors and windows.
- ☐ Secure toilet lids with child safety locks.

Note: Never leave a child alone in or near water.
