

**Region 5 Continuous Quality Improvement Committee
February 11, 2021 at 1:00 pm**

AGENDA

- I. Call to Order
- II. Welcome and Introductions
- III. Roll Call
- IV. Review of previous meeting summary- Eleven cases were reviewed with 17 letters generated. One letter was a good job with no response, the remaining 16 will require a response to the committee. Six responses to letters sent in Quarter 3 2020 were reviewed, those responses were accepted by the committee. The cases were closed with no further action necessary. During case review it was noted that the destinations for McCurtain County were not up to date. Data review for the region was tabled until February 2021. A brief discussion was held regarding ambulance services not leaving their service area was had, no action was taken on this item. Language to add the Letter Schedule of Escalation was reviewed and approved by the committee as placement in the Region five trauma plan. Dates for the 2021 Region 5 CQI Committee were approved.
