This is an application to receive a history report of your social security number. It is called a Numident. It will contain your name, gender, date of birth, place of birth, and names of your parents. You are not required to submit this application but this is an excellent document to obtain if you are unable to come up with the other suggested documents. The Numident includes information provided from each request for a replacement Social Security card. The Original Application for Social Security card (printout) will be a copy from microfilm from the initial application for the Social Security card.

If you decide to submit the application, make sure that you submit it and appropriate fees to:

**DEBS Enumeration Unit
P.O. Box 33022
Baltimore, MD 21290-3000**

DO NOT RETURN THIS APPLICATION TO VITAL RECORDS

Fees For Processing Requests For Individual's Social Security Record	
\$30	Request for copy of Original Application for Social Security Card (Form SS-5), (Printout from microfilm)
\$28	Request for Computer Extract of Social Security Number Application, (*Numident only requested)

The Social Security Administration processes requests for Numident printouts on a first come basis. It can take 30 days or longer to process a request. After waiting the initial 30-day period, a requester may contact SSA for the status of the request. To process a request for status, after the initial 30-day waiting period, please contact the FOIA Workgroup's voice messaging service at **(410) 965-1727** and leave a message containing name, birth date and Social Security Number of the subject as well as a phone number for the requester. Someone from the Social Security Administration FOIA workgroup will provide a status update within 5 business days.

** Please make checks or money orders payable to the Social Security Administration.
