

Broad Discussion Questions for 1332 Task Force members to consider prior to the initial meeting on August 30, 2016:

- 1) In your opinion, what are the primary factors that have led the Oklahoma marketplace to its current situation? Why?
- 2) How have you been working to address or mitigate these factors? What steps have you observed others taking?
- 3) What do you see as the single, largest challenge for continued success and stability of the Oklahoma marketplace?
- 4) What data are available to illustrate the challenge? If none, what data are needed?
- 5) What are your recommended solution(s) to this challenge? What action(s) is needed and by whom?
- 6) Are there changes to state or federal regulation needed to improve Oklahoma's situation? If so, what changes specifically?
- 7) When looking across the nation, Oklahoma's current situation is not unique. Are you aware of discussions or experiences from other states that you would like Oklahoma to explore? If so, what's happening in other states?
- 8) Oklahoma is a diverse place. Do you see the current challenges exacerbated in certain Oklahoma areas or populations? If so, to what extent and why?
