DATE

380:50-5-9. Licensing of asbestos abatement workers

Licensing requirements for asbestos abatement workers are as follows: (1) Applications shall be submitted on forms prescribed by the Commissioner. (2) The license fee shall be twenty-five dollars (\$25.00) per year. (3) The license shall be issued for a period not to exceed one year and shall expire concurrently with the asbestos training and subsequent refresher training. There will be no grace period wherein a worker will be allowed to work with an expired license. (4) Any worker who has not taken the required refresher course within two years of the previous asbestos worker training or refresher course, shall repeat the asbestos worker training requirements of Section 380:50-6-2 and 380:50-6-7. (5) Asbestos abatement workers shall have successfully completed and shall provide documentation for an asbestos abatement worker's course and all subsequent worker refresher training which fully meets the requirements of Section 380:50-6-2 and 380:50-6-7. (6) The licenses shall be issued in the name of the individual applicant and shall be valid only when working for a licensed contractor. (7) License cards shall be available at the job site for inspection by the Department of Labor.

380:50-6-2. Initial training for asbestos workers

(a) In the State of Oklahoma, anyone seeking accreditation or licensure from the Department of Labor, must obtain their training from an EPA or DOL accredited training provider, including but not limited to educational institution, labor union, or government agency, or from a private vocational education provider licensed by the state where it operates (pursuant to 70 O.S. § 21-103 within the state of Oklahoma) and accredited by EPA or an EPA approved governmental agency. (b) Such institutions, labor unions or government agencies may receive their DOL accreditation through the Oklahoma Accreditation Plan providing the following criteria are met: (1) The training for asbestos abatement worker shall be specific to the discipline and shall not be combined with training for any other discipline. (2) The Worker's course shall be no less than four days in length and shall include: lectures, demonstrations, at least 14 hours of hands-on training, individual respirator fit testing, course review and an examination. Hands on training must permit workers to have actual experience performing tasks associated with asbestos abatement. The OAP also recommends the use of audio-visual materials to complement lectures, where appropriate. One day of training equals 8 hours, including breaks and lunch. (3) Course instruction must be provided by EPA or State approved instructors. EPA or State approval shall be based on a review of the instructor's academic credentials and/or field experience in asbestos abatement. (4) The training course for Asbestos Abatement Worker shall adequately address the requirements listed in OAC 380:50-6-2 and 380:50-6-7
