**Subject:** [EXTERNAL] Notice of Intent to Construct a Windfarm in Ellis County, Oklahoma

Hi Cody,

This email serves as final affirmation from 25 Mile Creek Windfarm LLC that all required notices and notifications required under OWEDA have been properly provided. We have submitted our commencement to construction notices by certified mail to all oil and gas operators and lessees at least 60 days prior to entering the surface estates. We can confirm that the notices fulfill the requirements set forth by OKLA. STAT. tit. 17, § 160.21(F). A list of the oil and gas operators and lessees is attached to this email for your reference as well as certified mail receipts for all of the entities listed.

If you require additional information, documentation, or have any questions or concerns, please feel free to let us know.

Best regards,

**Patrick Brown**

Project Development Manager
