**Attn: Elbert D. Thomas Jr., Wind Development**

Dear Mr. Thomas,

In accordance with 17 O.S. § 160.21 (OSCN 2017) subsection E, Oklahoma Wind Energy Development Act, please find included in this submission:

1. This letter as a “Notice of commencement of construction” of the wind energy facility “Wild Horse Mountain”, located on Pushmataha County, Oklahoma.
2. Copy of third party report obtained after examination of records, for current operators and leasehold owners of oil and gas operations, conducted on the Oklahoma Corporation Commission and the Pushmataha County Clerk. The report determines there are no producing oil and gas wells, and no current oil and gas leases in area of the wind energy facility.
3. Map showing the location of the wind facility and design.

This Notice of commencement of Construction is sent 60 days before starting construction. Construction activities are planned to start around May 21, 2018.

Please contact Monica Monterrosa with RES Americas in case that you have questions or concerns about this publication.

Best Regards,
