NOTICE OF INTENT TO CONSTRUCT

In order to comply with the requirements of Section 2 of Oklahoma Senate Bill 808 ("SB 808") that was approved by the legislature and signed by the Governor, and in advance of certain rules that are to be promulgated by the Oklahoma Corporation Commission ("Commission") pursuant to the passage of SB 808, Rockhaven Wind Project, LLC, hereby informs the Commission of its intent to construct the Rockhaven Wind Project in Murray and Carter Counties, Oklahoma.

FAA 7460-1 Notice of Proposed Construction or Alteration forms have been filed and a summary of the filing is included in Exhibit A. Exhibit B to the letter presents a diagram indicating the Project boundary. As of this notice, and based on the best publicly available data, Company attests, that the Project design is in full compliance with the setbacks required by SB 808.

In accordance with the notification requirements of SB 808, notice of intent to construct will also be subsequently provided to the Murray and Carter County Commissioners. Evidence of that forthcoming notice is provided as Exhibit C. No project facilities are located within an incorporated area of a municipality and thus no additional notice is required under SB 808.

Please do not hesitate to contact us with any questions regarding this filing.

Sincerely,

Aaron Weigel
