Dear Ms. Paice,

The Military Aviation and Installation Assurance Siting Clearinghouse (The Clearinghouse) has reviewed the Wind Catcher wind project in Keyes, OK (2018-WTW-7849-OE). The Clearinghouse found no adverse impacts to DoD missions in the area and has entered a determination of "No Objection" to this project via the Federal Aviation Administration's Obstruction Evaluation / Airport Airspace Analysis system.

We encourage you to consult DoD well in advance of any expansion. If you have any questions, please contact Steven Sample at steven.j.sample4.civ@mail.mil or at 703-571-0076.

Sincerely,
