Pursuant to Pursuant to Okla. Stat. tit. § 17-160.21 of the Oklahoma Wind Energy Development Act (the "Act") and the notice requirements at OAC 165:35-45-4 of the Oklahoma Corporation Commission's ("OCC's") wind energy rules, EDP Renewables North America LLC ("EDPR") on behalf of Blue Canyon Windpower, LLC submits this letter as the notification of intent to construct wind turbines in Caddo County and Comanche County, Oklahoma. EDPR intends to install up to 29 new wind turbines at the site of the Blue Canyon I Wind Farm at different height limits and locations than the previously approved Determinations of No Hazard, thus creating a need for new FAA filings. The new filings were accepted for study by the FAA on January 20th, 2026.

The new filings have been assigned ASNs 2025-WTW-16012-OE through 2025-WTW-16041-OE. A copy of the FAA filing acceptance is included in this transmittal, along with a map showing the proposed repower turbine locations.

Concurrent with providing this notice to you, we are providing similar notice to the Board of County Commissioners in both Caddo County and Comanche County pursuant to Okla. Stat. tit. § 17-160.21. EDPR hereby attests compliance with the setback provisions of Okla. Stat. tit. §17-160.20(A).

Please reach out should any additional information be required to satisfy this requirement.
