Entry Deadline:

All nominations must be submitted by Friday, May 30. There is no cost to enter.

For complete category information and to submit your nomination online, go to championsofhealth.org

About the Awards

For eleven years, the Champions of Health awards have sought to recognize those who make a difference. From the rural doctor working to address the health care needs of an isolated community, to the elected official fighting the obesity epidemic of his constituency, the Champions of Health awards have honored those efforts to improve the health of Oklahomans.

Nonprofit winners in select categories will receive a \$5,000 contribution to their organization or program, and will be considered for the highest honor, the Dr. Rodney Huey Memorial Champion of Oklahoma Health award. The recipient of this highest honor will receive \$15,000.

About the Gala

This year's award winners will be recognized at the Champions of Health Gala in the Fall of 2014 in Oklahoma City.

Sponsorships of the awards gala benefit the Oklahoma Caring Foundation, a 501(c)(3) organization.

About the Oklahoma Caring Foundation

The Oklahoma Caring Foundation's flagship program, the Oklahoma Caring Vans, provides basic childhood immunizations, free of charge, to children across the state. Through partnerships with child care providers, schools and community organizations throughout the state, the Caring Vans serve children and families who encounter barriers to immunizations such as transportation and cost.

The vans have delivered more than 238,000 vaccines to 124,000 underserved children statewide since 1999. To learn more, go to oklahomacaringfoundation.org.
