MINUTES OF THE COMMISSION MEETING OF THE OKLAHOMA DEPARTMENT OF TRANSPORTATION, HELD SEPTEMBER 11, 2023, IN THE COMMISSION MEETING ROOM OF THE OKLAHOMA DEPARTMENT OF TRANSPORTATION, 200 NE 21ST STREET, OKLAHOMA CITY, OK 73105

Notice of the schedule of regular meetings of the Oklahoma Department of Transportation for the calendar year 2023 having been given in writing to the Oklahoma Secretary of State, and public notice and agenda having been posted in a prominent public view on the website of the Oklahoma Department of Transportation, www.ok.gov/odot, and on the glass doors on the north side of the ODOT Building twenty-four (24) hours prior to this meeting, excluding Saturdays, Sundays and legal holidays, in accordance with Oklahoma Open Meeting Act, 25 O.S. Section 311.

ITEMS PRESENTED BY COMMISSION CHAIRMAN

CALL TO ORDER: Mr. Peterson called the meeting to order at 11:00 a.m.

The following items were presented and approved as written at the Transportation Commission meeting on September 11, 2023

Chairman Peterson thanked everyone for coming and recognized former Secretary Mike Patterson, Mike Thompson, President of American Council of Engineering Companies (ACEC), Larry Patrick, Executive Director of Oklahoma Asphalt Pavement Association (OAPA). Chairman Peterson observed a moment of silence in remembrance of the victims that lost their lives during the tragic events on September 11, 2001.

ANNOUNCEMENTS AND PRESENTATIONS

Local Government Division Engineer Announcement – **Mr. Johnson**

Mr. Johnson recognized Matt Michell as the Local Government Engineer, Division Manager

Recognition of District VI Engineer Ron McDaniel's Retirement after 33 years of service – **Mr. Davis**

Chairman Peterson, Secretary Gatz and Mr. Davis presented District VI Engineer, Ron McDaniel with a Route 66 brick, and thanked him for his 33 years of service and dedication to the Department.

Presentation of Asphalt Awards – **Mr. Gatz**

Secretary Gatz called on Larry Patrick, Executive Director of Oklahoma Asphalt Pavement Association (OAPA) to assist in presenting and discussing the awards. Mr. Patrick started the presentations with the Quality in Construction award for the I-35 project, between Northeast 10th and Northeast 63rd, which was completed within 48 hours. He thanked District Four, Edmond Residency, along with Haskell Lemon Construction.

Mr. Patrick addressed the I-40 project, near Okemah, moving East. Warm-mix asphalt was used on the project and some increased use of recycled asphalt pavements (RAP). Mr. Patrick congratulated District III, Wewoka Residency and Haskell Lemon Construction for their work on this project.

Mr. Patrick congratulated District IV, Clinton Residency, for receiving the Perpetual Pavement by Conversion award and thanked Haskell Lemon Construction.

A brief discussion was held between Commissioner Grimsley and Mr. Delce regarding part A and if there are special thresholds for DBE. Mr. Delce explained that when a project estimate is received, it is broken down into work categories and submitted to the contract compliance group. A goal is assigned based on a calculation.

ITEM TO BE PRESENTED BY THE CHIEF ENGINEER – Mr. Taylor

142. Informational Update of I-35 Corridor Study – Information Only

No Commission action is required.

Commissioner Shannon expressed a continued concern for the I-35 congestion, and thanked ODOT for their work on the study.

Commissioner Alexander expressed his appreciation to Commissioner Shannon and his team for their help in addressing the important corridor.

Commissioner Grimsley also discussed his shared concern for the issue on the I-35 corridor.

ITEM TO BE PRESENTED BY THE DIRECTOR – Mr. Gatz

143. Director's Report – Information Only

Secretary Gatz began his report by recognizing Nicole Miller, with the House of Representatives and stated Ms. Miller represents the Transportation and General Government Appropriations and Budget Committee. Gatz stated Ms. Miller's is supportive and attentive to the highway system needs and the needs of the total transportation system across the State. Gatz thanked Ms. Miller for being in attendance.

Secretary Gatz commended Commissioner Shannon, Brian Taylor, and the ODOT team for the focus they have put on I-35, South of Oklahoma City. Gatz recognized the problem across the Southern border and the need to understand the challenges, such as traffic volumes due to population levels south of the Red River. Gatz also mentioned the I-35 North and I-40 East and West corridors and the continued investments that will need to be made to support freight and passenger movements.

Secretary Gatz announced the Federal Highway Administration's (FHWA) Accelerated Innovation Deployment and Demonstration Program grant. The Department received nearly \$840,000 to replace 18 expansion joints and 18 fixed joints of the north and southbound I-35 Cimarron Overflow bridges, located on the Logan and Payne County line. FHWA encourages the use of tools, such as ultra-high-performance concrete that improve safety on our bridges and in our work zones. Ultra high performance concrete was used for the US-281, Route 66 bridge at Bridgeport. Secretary Gatz and the ODOT team believe it will be a successful treatment.

Secretary Gatz informed the Commission of his planned attendance and the ODOT team at the US-54 groundbreaking in Guymon. The location of the resurfacing project is from 5th Street, approximately 2.5 miles long, extending northeast through town. Gatz added this project will provide a major thoroughfare improvement and will help the daily traffic volume as well as the freight traffic.

Secretary Gatz gave an update on the US-81 roundabout project at State Highway 66 in El Reno. The project will include the conversion of a signalized intersection into a roundabout. Gatz added the project will improve traffic conditions between I-40 and the intersection of Highway 81 and Route 66, and the duration of the project will be approximately 1.5 years.

Secretary Gatz continued the project updates with the US-69 pavement improvement project in District II for conditional and maintenance improvements. Secretary Gatz thanked the Commission for their consideration on the US-69 project and expressed his concern for the traffic volume in the McAlester area.

Secretary Gatz provided an update for the resurfacing project on I-40 at Morgan Road and expressed his gratitude for the innovation that was shown by District IV in avoiding tax-free weekend and Labor Day with the closures. Gatz stated the work was completed within approximately two months ahead of schedule and was heavily incentivized, to minimize any traffic conflicts amounted to \$480,000.

Secretary Gatz recognized Rail Safety Week for September 18th through the 24th and as a part of the recognition during Rail Safety Week, the Skydance Bridge over I-40 will light up red on September 20th. Gatz also mentioned Operation Lifesaver, ODOT's partner organization which raises awareness regarding rail safety across the state as Oklahoma has 3,450 railroad crossings statewide.

Secretary Gatz closed his report with a reminder of the Safe Oklahoma Summit, which is focused on transportation safety and multiple facets of transportation safety and is scheduled for October 4th. The Summit is a full-day event at the Embassy Suites and is free to anyone who would like to participate, registration is now open.

Commissioner Grimsley expressed his desire to meet with the ODOT staff to possibly develop a long-term plan for the I-35 corridor. Secretary Gatz assured Commissioner Grimsley that a meeting could take place and briefly discussed the importance of traffic volume on the I-35 corridor, along with the I-40 traffic congestions.

Commissioner Freymiller thanked Secretary Gatz and Trenton January, District IV Engineer, for their efforts in ceasing the traffic issue during the I-40/Morgan Road project.

Commissioner Alexander commended Ron McDaniels on his service to Oklahoma Transportation and thanked him for his dedication.

No Commission action is required.
