

The Oklahoma Department of Transportation invites you to a

PUBLIC MEETING

for I-40 Exit 65 (Gary Boulevard)
Clinton, Oklahoma

February 28, 2019 at 6:00 PM

Frisco Conference Center

101 South 4th Street, Clinton, OK 73601

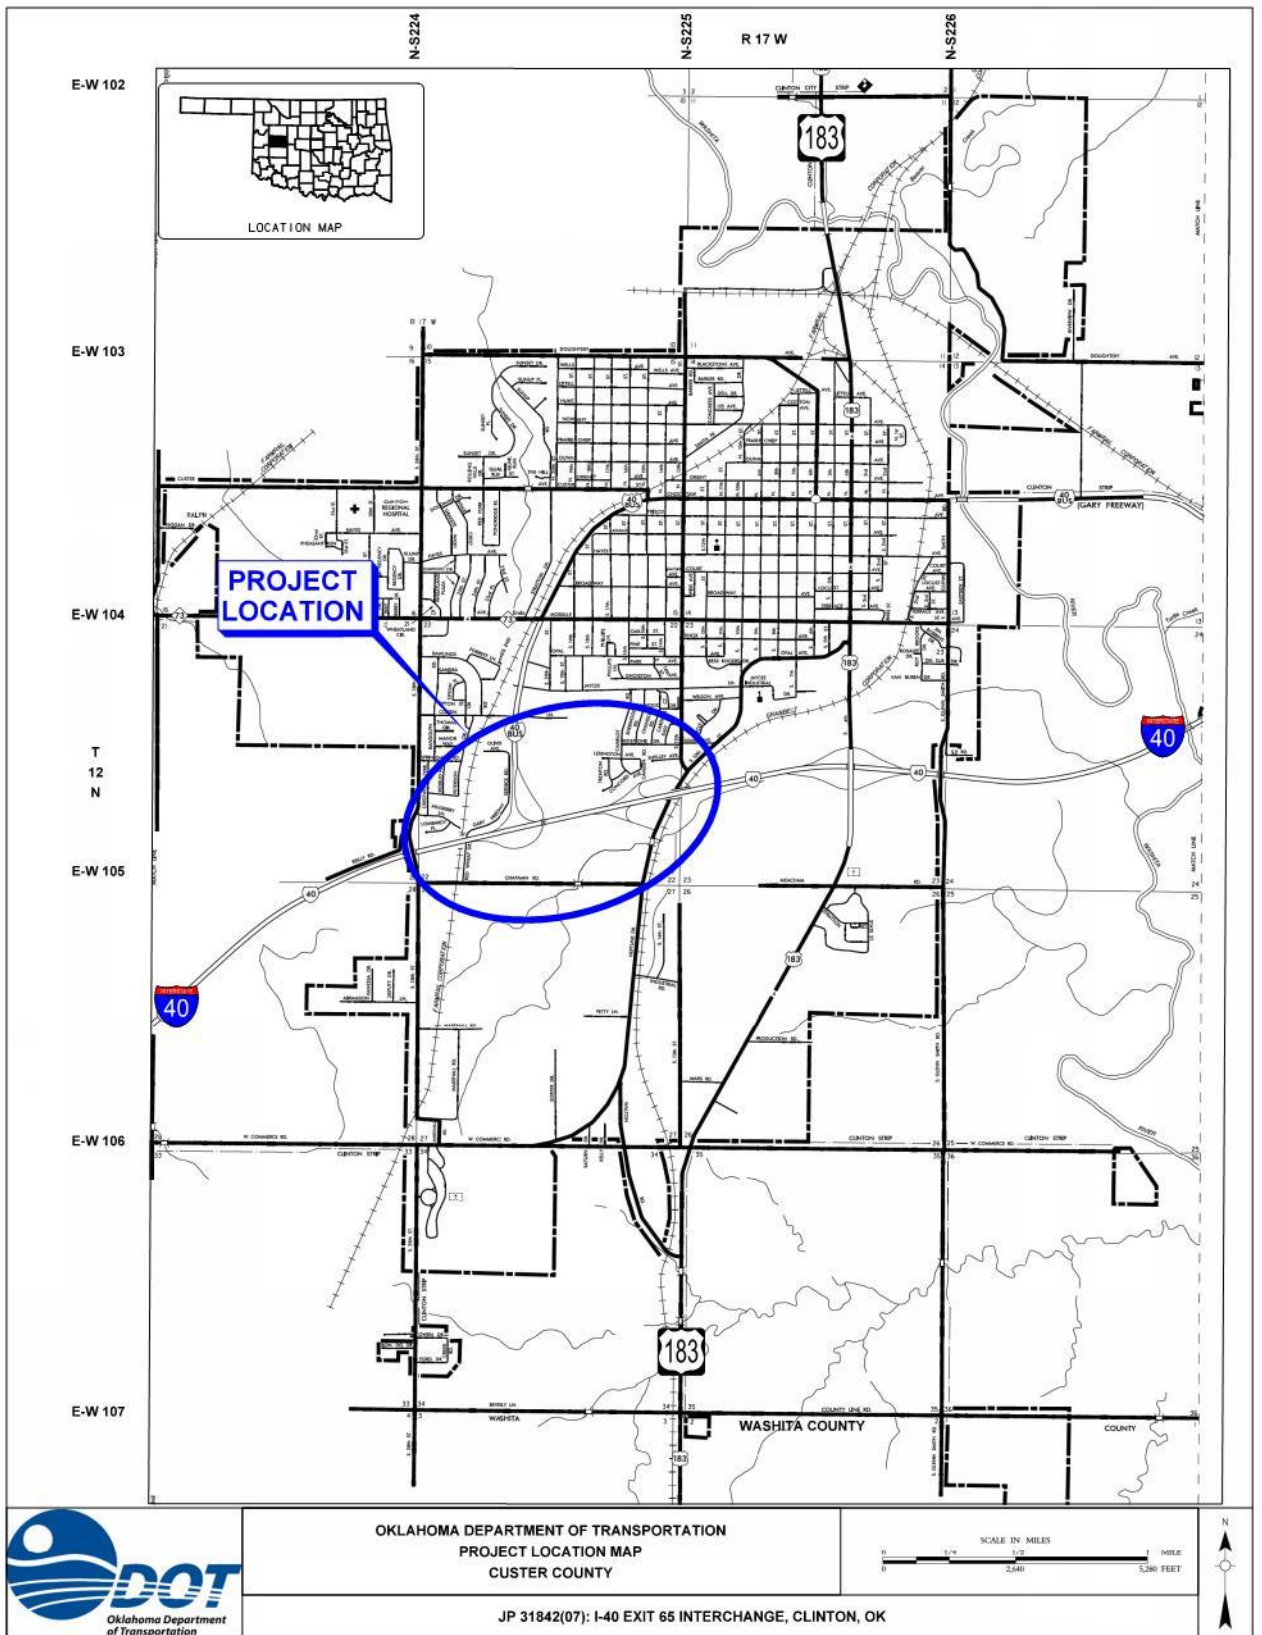

The purpose of this meeting is to inform the public and receive input on the selected design for the I-40 Exit 65 (Gary Boulevard) interchange in the City of Clinton, Oklahoma. In response to feedback received at the first public meeting on May 24, 2016, ODOT has developed new alternatives that provide improved access for both I-40 and local traffic. These alternatives were evaluated taking into consideration construction costs, right-of-way and utility costs, and environmental constraints, which resulted in the selection of an alternative for the corridor. ODOT will present the selected alternative for additional comment at this upcoming public meeting.

The purpose of this project is to improve safety and traffic operations and improve mobility in the I-40 corridor. Topics to be presented at the meeting include:

- Purpose and Need for the Project
- Proposed Improvements
- Anticipated Impacts
- Next Steps

If you have any questions regarding the study, please contact Kirsten McCullough, Garver, at 918-250-5922 or kjmccullough@garverusa.com. We hope to see you there!
