Dear Governor Fallin:

This letter is to inform you that Oklahoma's State Safety Oversight (SSO) Program has been approved and certified by the Federal Transit Administration (FTA) in accordance with the requirements of Federal public transportation safety law (49 U.S.C. § 5329(e)) and FTA's SSO regulation (49 C.F.R. Part 674).

Certification is an important achievement and promotes the safety of our nation's rail transit systems. Oklahoma's diligence in fulfilling these requirements and devoting the necessary resources will make public transportation safer for the passengers who ride rail transit in Oklahoma.

If you have any questions, please feel free to contact me or Henrika Buchanan, FTA's Acting Associate Administrator for Transit Safety and Oversight at (202) 366-1783 or Henrika.Buchanan@dot.gov.

Sincerely,

K. Jane Williams
Acting Administrator
