REF: Transportation Pooled Fund Study - TPF-5(431)

Dear Mr. Pamplin:

The Federal Highway Administration's (FHWA), Office of Planning, Environment, and Realty (Office of Planning) will serve as the lead for the Transportation Pooled Fund (TPF) Study TPF-5(431) on the [Applications of Enterprise GIS for Transportation, Guidance for a National Transportation Framework \(AEGIST\)](#). The objective of the pooled fund is to develop National geospatial standards and direction, ultimately implementing a guidebook that is near completion. Activities undertaken through this fund will be jointly determined by pooled fund members, and tasks will be managed by FHWA in consultation with the members.

The Office of Planning accepts the role of lead agency and agrees to receive, obligate, expand, and manage contributions from participating agencies. The participating agencies are requested to submit a copy of this letter with their funding transfer request form for this project to their respective FHWA Division Office for concurrence.

Joseph Hausman will serve as the Pooled Fund Study Manager for this study. He can be reached at (202) 366-9629 or joseph.hausman@dot.gov. Don't hesitate to let me or Joseph know if you have any questions.

Sincerely,

Kenneth N. Petty II
Director, Office of Planning
