Southwest Oklahoma Community Action Group, Inc. is a private, non profit corporation authorized under the Economic Opportunity Act of 1964.

Since 1965, Southwest Oklahoma Community Action Group, Inc. has been working to alleviate poverty in Southwest Oklahoma. Each of the programs, work with individuals and families to overcome obstacles in their lives and help low income people to become self sufficient.

A 27 member Board of Directors governs Southwest Oklahoma Community Action Group, Inc. The Board is composed of 9 members from each of the following sectors: low income, private, and public. Alternates are provided for the low income sector.

The Promise of Community Action

“Community Action changes people’s lives, embodies the spirit of hope, improves communities, and makes America a better place to live. We care about the entire community and we are dedicated to helping people help themselves and each other.”
