

2022 Multimodal Project Discretionary Grant (MPDG) Opportunity

OKLAHOMA
Transportation

*PROJECT COST: \$116,607,670
MPDG REQUEST: \$58,303,835
STATE FUNDS: \$58,303,835*

Safety Improvements on Oklahoma Rural Roads

- ODOT has a total of almost 5,300 miles of rural 2 lane highways with deficient shoulder.
- This project includes 40 miles of work statewide which will add 8' shoulders on to 2 lane rural highways.
- **In Oklahoma 65% of fatalities happen in rural areas where 34% of the population lives.**
- This project replaces 6 bridges and modifies 9 bridges.
- New pavement will replace locations with poor pavement conditions.

	County	Highway
1	Cimarron	US-56
2	Ellis	SH-15
3	Roger Mills	SH-152
