Subject: Support Letter for RAISE - McClellan-Kerr Arkansas River Navigation System

Dear Secretary Buttigieg,

On behalf of Inland Rivers, Ports & Terminals, Inc. (IRPT), I am writing to voice our organization's strong support of the Oklahoma Department of Transportation's (ODOT) application for a Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant to assist with the McClellan-Kerr Arkansas River Navigation System (MKARNS) Mooring Modernization Project.

The proposed improvements to mooring structures at critical locations on the MKARNS waterway are both necessary and urgent to provide an increase in overall safety within the MKARNS network, provides economic benefit and support of future development, and improves the reliability of freight movement to meet the strategic goals of both ODOT and the region.

IRPT supports the McClellan-Kerr Arkansas River Navigation System (MKARNS) Mooring Modernization Project for its vital contribution to the region, state, and nation. The proposed project supports a network that is critical to Oklahoma's economy and freight movement. We strongly urge your support of full funding for the project. Thank you for your consideration and please feel free to call on us should you have questions or if you require additional information.

Inland Rivers, Ports and Terminals, Inc. (IRPT) is a nationwide trade association composed of ports, terminals, users and suppliers of the U.S. Inland Waterway system. IRPT promotes the use of our nation's rivers as the most cost effective, and environmentally friendly form of transportation. I appreciate your time and thoughtful consideration of this funding application.

Sincerely,
