PUBLIC MEETING US-270

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve US-270 in Seminole County from the SH-270A Junction in Seminole, east to the Y at US-270B including several bridges. Traffic volumes along this corridor have increased over the last ten years enough to warrant an increase in capacity. In addition, this section of US-270 has a history of accidents.

The purpose of the meeting is to explain the project need, present the proposed alignment and environmental issues associated with it, and seek input before finalizing the design.

Additional information about the project and the upcoming meeting can be obtained from Robert Payao, [ODOT Environmental Project Manager](#), at 200 NE 21st Street, Oklahoma City, OK 73105, (405) 521-2312, or rpayao@odot.org or Scott Stegmann, [CP&Y, Inc.](#) at (405) 835-2836, or stegmann@cpyi.com.

If you require special accommodations for the meeting, please contact Frank Roesler III, [ODOT Public Involvement Officer](#), at 200 NE 21st Street, Oklahoma City, OK 73105, or (405) 521-2350 or m-coordinator@odot.org, at least three (3) working days in advance of the meeting date.

WE LOOK FORWARD TO SEEING YOU THERE
