PUBLIC MEETING

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve the interchange at I-35 and Waterloo Road in Oklahoma and Logan Counties. The purpose of the project is to accommodate existing and future traffic demand and to correct the substandard vertical clearance under the existing I-35 bridges.

As part of our efforts to keep the public informed of this project and involved in the decision process, ODOT has scheduled a public meeting. The meeting will include a presentation about the alternatives considered and the proposed improvements to I-35 and Waterloo Road including why the improvements are needed and the expected impacts to motorists and the surrounding community. The purpose for the meeting is to obtain information from the public to further assist in the identification of critical social, economic, and environmental effects that may result from the project.

Additional information about the project and the upcoming meeting can be obtained from Tim Vermillion, [ODOT Environmental Project Manager](#), (405) 521-2676, or tvermillion@odot.org; or Kristen McCullough, [Garver](#), (918) 250-5922, or kjmcullough@GarverUSA.com.

The Oklahoma Department of Transportation (ODOT) ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact [ODOT ADA Coordinator](#) at (405) 521-4140. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

WE LOOK FORWARD TO SEEING YOU THERE
