PUBLIC MEETING

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) is proposing to improve US-62 beginning at the US-62/SH-9 junction and extending approximately 6.15 miles to the existing curb section on the western edge of Anadarko in Caddo County, Oklahoma.

As part of our efforts to keep the public informed of this project and involved in the decision process, ODOT has scheduled a public meeting. The meeting will include a presentation about the proposed improvements to US-62 including why the improvements are needed and the expected impacts to motorists and the surrounding community. The purpose for the meeting is to obtain information from the public to further assist in the identification of critical social, economic, and environmental effects that may result from the project.

Additional information about the project and the upcoming meeting can be obtained from **Greg Worrell, ODOT NEPA Project Manager**, (405) 522-8014, gworrell@odot.org; or **Kirsten McCullough, Garver**, (918) 250-5922, kjmccullough@GarverUSA.com.
