PUBLIC MEETING I-40 Exit 65

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA) and the City of Clinton, is studying improvements to the I-40/I-40B interchange within the City of Clinton. These improvements will likely effect and include the intersection at Gary Boulevard and Lexington/Oliver Avenue, Red Wheat Drive, Boulevard of Champions, and Chapman Road.

As part of our efforts to keep the public informed of this project and involved in the decision making process, ODOT has scheduled a public meeting. The purpose of this meeting is to present the conceptual design alternatives being considered, the potential impacts on motorists and the surrounding community and to obtain input from the public on priorities that may result from potential improvements in the future.

Additional information about the project and the upcoming meeting can be obtained from **Jennifer Koscelny**, Environmental Project Manager, [Able Consulting](#) at (918) 272-4282, jkoscelny@cox.net.
