OPEN HOUSE

SH-82

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA), is proposing to improve the safety of SH-82 from the intersection of SH-82/SH-100 and extending east and north approximately 2.5 miles to just south of the Snake Creek bridge located in Sequoyah County. This section of SH-82 has two, 11-foot wide driving lanes with sharp curves, insufficient sight distances, unsafe intersections, a narrow bridge, several narrow drainage crossings, and no shoulders. These factors contribute to a high accident rate. The purpose of this project is to improve the safety of this segment of SH-82 with poor geometry.

As part of our efforts to keep the public informed and involved in the decision-making process, ODOT has scheduled a public open house. The purpose of the meeting is to present the alternatives being considered for the proposed improvements, and to obtain public input to aid in selecting a preferred alternative.

Should you have any questions regarding the project, please contact our consultant **Mr. Geoff Canty**, [CC Environmental](mailto:geoff@ccenviro.net) at (405) 761-1225, or geoff@ccenviro.net or **Ms. Laurie Effinger**, [ODOT Environmental Project Manager](mailto:leffinger@odot.org), (405) 521-2535, or leffinger@odot.org.

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact [ODOT ADA Coordinator](mailto:ADA@odot.org) at (405) 522-3626. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

WE LOOK FORWARD TO SEEING YOU THERE
