December 6th, 2016

TIME:

6:00 PM

PLACE:

**ODOT Division 8 Headquarters
4002 N. Mingo Valley Expy.
Tulsa, OK 74116**

DATE CORRECTION

PUBLIC MEETING

SH-266

The Oklahoma Department of Transportation (ODOT), in cooperation with the Federal Highway Administration (FHWA), is proposing roadway improvements on SH-266 from 0.45 miles east of the Tulsa County line, extending east 2.25 miles to the junction of SH-266/SH-167 intersection in Rogers County. The purpose and need for this project is to improve both safety and traffic flow along this segment of SH-266.

The 2.5 mile portion of SH-266 from US-169 to the beginning of this project was let for construction in September of 2015. The purpose of this public meeting is to present the proposed design, results of the environmental studies and obtain input to aid ODOT in moving forward with the completion of the environmental document, design, and subsequent construction.

Additional information about the project and the upcoming meeting can be obtained from Jennifer Koscelny, [Project Manager, Able Consulting](#) at (918) 272-4282, or JKoscelny@cox.net.

ODOT ensures that no person or groups of persons shall, on the grounds of race, color, sex, religion, national origin, age, disability, retaliation or genetic information, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by ODOT, its recipients, sub-recipients, and contractors. If any interested individual has a disability that may require accommodation to participate in this meeting, please contact [ODOT ADA Coordinator](#) at (405) 521-4140. Upon advance notification of the need for accommodation, reasonable arrangements will be made to provide accessibility to the meeting.

WE LOOK FORWARD TO SEEING YOU THERE
