The Honorable Pete Buttigieg
Secretary
U.S. Department of Transportation
1200 New Jersey Ave SE
Washington, DC 20590

Dear Secretary Buttigieg,

BNSF Railway supports efforts by the Oklahoma Department of Transportation to secure federal discretionary funding under the Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant program. If awarded, the project will construct a grade separation at SH 37 / 4th St in Moore, OK under the BNSF mainline and siding tracks just south of Oklahoma City.

BNSF values our working relationship with the applicant and is prepared to work with all involved public agencies on further development of this project, subject to satisfactory review of final engineering and entering into definitive agreements as may be required by BNSF or other project stakeholders.

BNSF appreciates your thorough review of this application and looks forward to continuing its relationship with the Oklahoma Department of Transportation through this project.

Sincerely,

A handwritten signature in blue ink that reads "Craig Rasmussen". The signature is fluid and cursive, written in a professional style.

Craig Rasmussen
Assistant Vice President, Engineering Services and Structures
