RE: Multimodal Improvements to Safely Connect Tulsa at US-75 and 81st Street Interchange

Dear Secretary Buttigieg,

On behalf of the Oklahoma Department of Transportation (ODOT), I am pleased to present this application for Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant funds. We take pride in our mission “to provide a safe, economical and effective transportation network for the people, commerce and communities of Oklahoma” and this application has been developed in this spirit.

ODOT is committing \$2,752,000 in non-federal funds of future eligible project costs as local match for the Multimodal Improvements to Safely Connect Tulsa at US-75 and 81st Street Interchange, should it be selected for award of RAISE grant funds.

Sincerely,

Tim J. Gatz
Secretary of Transportation
