

Employer **RESOURCES AND SERVICES**

OESC offices across the state offer free services and resources to help employers take advantage of hiring incentives, find and screen job candidates, and even provide space to conduct hiring events, interviews and orientations of new employees.

Available Resources and Services

- Labor market research and information, useful for recruitment and retention
- Work Opportunity Tax Credit and Federal Bonding certifications
- Work experience, on-the-job training and apprenticeship program registration
- Mass layoff assistance
- Individualized hiring events, career fairs and veteran hiring events - includes interview and orientation space, computers for online applications and staff assistance for resume development
- Recruitment assistance—building job descriptions, searching resumes, applicant screening
