

Instructions for ESS-C-149n

Instructions for ESS-C-149n (Contractor's Written Justification for completing less than three (3) different career exploration activities)

(In contract: SESC)

In some cases, less than three (3) different exploration activities may be needed to complete the Career Exploration service. **Contractors must provide written documentation to justify their request to use less than the three (3) different activities to complete this service, and obtain written approval from the DRS Counselor. The written justification requesting DRS Counselor approval for completing less than three (3) different career exploration activities must be maintained in the individual's Case Documentation file.**
