online. The date of application for a paper application is the date a signed application is received and stamped in by contracted agency partners or OHCA. When a request for SoonerCare is made orally, and that request is followed within ~~20~~twenty (20) days by a signed application, the documented date of the oral request is the date of application. When OKDHS form 08MA005E is received by OKDHS, or received by OHCA and forwarded to OKDHS, the earliest of the date stamps is considered the date of request and should be honored when followed within ~~20~~twenty (20) days by a signed application for SoonerCare.

(c) **Other application and signature requirements.** For additional rules regarding other application and eligibility determination procedures, see Part 7 of Subchapter 5 of this Chapter.

PART 5. DETERMINATION OF ELIGIBILITY FOR SOONERCARE FOR PREGNANT WOMEN AND FAMILIES WITH CHILDREN

317:35-6-36. Financial eligibility of individuals categorically related to ~~AFDC or pregnancy-related services~~aid to families with dependent children (AFDC), pregnancy-related services or expansion adults

(a) **~~Prior to October 1, 2013.~~** ~~In determining~~When determining financial eligibility for an individual related to AFDC ~~or~~, pregnancy-related services or expansion adults, the income of the following persons (if living together or if living apart as long as there has been no break in the family relationship) are considered. These persons include the:

(1) ~~the individual~~Individual;

(2) ~~the spouse~~Spouse of the individual;

(3) ~~the biological~~Biological or adoptive parent(s) of the individual who is a minor dependent child. For ~~Health Benefits~~health benefits only, income of the stepparent of the minor dependent child is determined according to OAC 317:35-5-45;

(4) ~~minor~~Minor dependent children of the individual if the children are being included in the case for ~~Health Benefits~~health benefits. If the individual is ~~19~~nineteen (19) years or older and not pregnant, at least one (1) minor dependent child must be living in the home and included in the case for the individual to be related to AFDC;

(5) ~~blood~~Blood related siblings, of the individual who is a minor child, if they are included in the case for ~~Health Benefits;~~health benefits or;

(6) ~~a caretaker~~Caretaker relative and spouse (if any) and minor dependent children when the caretaker relative is to be included for coverage.

(b) **~~Prior to October 1, 2013.~~** ~~The family has the option to exclude~~

~~minor dependent children or blood related siblings [OAC 317:35-6-36(a)(4) and (5)] and their income from the eligibility process. However, for the adult to be eligible, at least one minor child and his/her income must be included in the case. The worker has the responsibility to inform the family of the most advantageous consideration in regard to coverage and income.~~The MAGI methodology is used to determine eligibility for MAGI eligibility groups. See OAC 317:35-6-39 through 317:35-6-54.

~~(c) **Effective October 1, 2013.** The MAGI methodology is used to determine eligibility for MAGI eligibility groups. See OAC 317:35-6-39 through OAC 317:35-6-54.~~

~~(d)~~(c) **~~Effective October 1, 2013.~~** Individuals who are determined to be part of a MAGI household cannot be excluded from the household; likewise, income of individuals determined to be part of a MAGI household cannot be excluded unless the exclusion is expressly required under MAGI rules.

~~(e) When determining financial eligibility for an individual related to the children, parent or caretaker relative, or pregnancy groups, consideration is not given to income of any person who is aged, blind or disabled and receives SSI or is determined to be categorically needy.~~

317:35-6-37. Financial eligibility of categorically needy individuals related to ~~AFDC or pregnancy-related services~~aid to families with dependent children (AFDC), pregnancy-related services, parent/caretaker relatives, families with children, and expansion adults

Individuals whose income is less than the SoonerCare ~~Income Guidelines~~income guidelines for the applicable eligibility group are financially eligible for SoonerCare.

(1) **Categorically related to pregnancy-related services.** For an individual related to pregnancy-related services to be financially eligible, the countable income must be less than the appropriate standard according to the family size on the SoonerCare ~~Income Guidelines~~income guidelines. In determining the household size, the pregnant woman and her unborn child(ren) are included.

(2) **Categorically related to ~~children's and parent/caretakers' groups~~ the children and parent/caretaker relative groups.**

(A) **Parent/~~caretakers'~~caretaker relative group.** For the individual in the parent/~~caretakers'~~caretaker relative group to be considered categorically needy, the SoonerCare ~~Income Guidelines~~income guidelines must be used.

(i) **~~SoonerCare Income Guidelines.~~** Individuals age ~~19~~nineteen (19) years or older, other than pregnant women, are determined categorically needy if countable income is ~~less~~equal to or less than the ~~Categorically~~

~~Needy Standard~~categorically needy standard, according to the family size.

(ii) **~~SoonerCare Income Guidelines.~~** ~~All~~ individuals under ~~19~~nineteen (19) years of age are determined categorically needy if countable income is equal to or less than the ~~Categorically Needy Standard~~categorically needy standard, according to the size of the family.

(B) **Families with children.** Individuals who meet financial eligibility criteria for the ~~children's~~children and parent/~~caretakers'~~caretaker relative groups are:

(i) All persons included in an active TANF case.

(ii) Individuals related to the ~~children's~~children or parent/~~caretakers'~~caretaker relative groups whose countable income is within the current appropriate income standard, but who do not receive TANF assistance.

(iii) All persons in a TANF case in ~~Work Supplementation~~work supplementation status who meet TANF eligibility conditions other than earned income.

(iv) Those individuals who continue to be eligible for Medicaid in a TANF case after they become ineligible for a TANF payment. These individuals will continue to be considered categorically needy if the TANF case was closed due to child or spousal support, the loss or reduction of earned income exemption by any member of the assistance unit, or the new or increased earnings of the parent/caretaker relative.

(3) **Expansion adults.** Individuals who meet financial eligibility criteria for expansion adults are established and defined by 42 C.F.R. § 435.119 and by the Oklahoma Medicaid State Plan.

317:35-6-38. Hospital ~~Presumptive Eligibility~~presumptive eligibility (HPE)

(a) **General.** ~~Hospital Presumptive Eligibility (HPE)~~HPE is a limited period of SoonerCare eligibility for individuals who are categorically related to certain MAGI eligibility groups listed in OAC 317:35-6-38(a)(1)(A)(i) through (vi) and are also determined by a qualified hospital ~~(see OAC 317:35-6-38(a)(2)(A) through (L)) for the conditions of a qualified hospital)~~ [see OAC 317:35-6-38(a)(2)(A) through (L) for the conditions of a qualified hospital], on the basis of preliminary information provided by the applicant on a completed HPE application, to be eligible for SoonerCare services. The rules in this ~~section~~Section apply only to those individuals applying for, or qualified hospitals determining eligibility under, the HPE program.

(1) **Individuals eligible to participate in the HPE program.** To be eligible to participate in the HPE program, an individual

must be categorically related to a MAGI eligibility group (see OAC 317:35-5-2 for categorical relationship criteria) and also meet the income standard and non-medical eligibility specified in this ~~section~~Section.

(A) **MAGI ~~Eligibility Groups~~eligibility groups**. The following MAGI eligibility groups are eligible to have a presumptive eligibility (PE) determination made by a qualified hospital participating in the HPE program:

(i) ~~children~~Children;

(ii) ~~pregnant~~Pregnant women;

(iii) ~~parents and caretaker relatives~~Parent/caretaker relative;

(iv) ~~former~~Former foster care children;

(v) Breast and Cervical Cancer~~ Treatment~~ (BCC) treatment program; and

(vi) SoonerPlan ~~Family planning~~family planning program.

(B) **Income standard.** The income that is counted in determining PE for an individual is that individual's household income. The income limit for the MAGI eligibility groups covered under the HPE program is the same as defined in OAC 317:35-6-39(b)(8) and is listed on the HPE application. The calculation of countable household income for an individual covered under the HPE program is the same as OAC 317:35-6-39, except that, in determining the individual's household composition, only the MAGI household composition non-filer rules listed under OAC 317:35-6-43 apply for all individuals applying for the HPE program regardless of whether or not the individual is a tax filer, plans on filing taxes, or is a tax dependent.

(C) **Non-medical eligibility requirements.** Individuals covered under the HPE program must also meet the non-medical eligibility requirements described in OAC 317:35-5-25.

(D) **Pregnant women covered under the HPE program.** Coverage for pregnant women who are covered under the HPE program is limited to ambulatory prenatal care only, and the number of PE periods that may be authorized for pregnant women is one per pregnancy. Pregnant women who may be covered for the benefit of the unborn child(ren) under Title XXI are not eligible for the HPE program.

(E) **Other individuals covered under the HPE program.** Coverage for other individuals listed under OAC 317:35-6-38(a)(1)(A)(i) through (vi) who are covered under the HPE program, except for pregnant women, is the same as covered under the State Plan. The number of PE periods that may be authorized is one period every ~~365~~three hundred sixty-five (365) days beginning on the date the individual is enrolled in HPE.

(2) **Qualified hospital.** The decision that a hospital is qualified to make PE determinations is made by the OHCA. In order to participate in the HPE program and make PE determinations, a qualified hospital must:

(A) Meet all the conditions of an eligible provider under OAC 317:30-5-40;

(B) Elect to participate in the HPE program by:

(i) Completing and submitting a HPE Statement of Intent and Memorandum of Understanding to the OHCA and agreeing to all the terms and conditions of the HPE program;

(ii) Amending its current contract with the OHCA to include participation in the HPE program;

(C) Assign and designate a hospital employee to serve as the HPE program administrator and point of contact;

(D) Assign and designate hospital employees to make PE determinations. The term ~~Authorized Hospital Employee(s) (AHE)~~"authorized hospital employee(s) (AHE)" means all individuals making PE determinations on behalf of a hospital participating in the HPE program. The AHE must meet the following conditions:

(i) Be an employee of the hospital (i.e. the AHE may not be a third party contractor);

(ii) Attend, complete, and pass the HPE program training course provided and assessed by the OHCA;

(iii) The AHE certificate of HPE course completion must be kept in the worker's file at the hospital and must be made available to the OHCA upon request;

(iv) Follow state and federal privacy and security requirements regarding patient confidentiality;

(v) Agree to abide by all the rules and guidelines of the HPE program established by the OHCA under this ~~section~~Section.

(E) Notify the OHCA of any changes in the AHE's employment status or in the designation of that individual as the hospital's AHE;

(F) Abide by the rules and regulations of the Uniform Electronic Transaction Act as outlined in OAC 317:30-3-4.1;

(G) Keep internal records of all individuals for whom a PE determination was made and make those records available to the OHCA upon request;

(H) Agree to submit all completed HPE applications and PE determinations to the OHCA within ~~5~~five (5) days of the PE determination;

(I) Notify the applicant in writing, or in cases where the HPE application was made on behalf of a child, notify the child's parent or caretaker of the PE determination outcome and provide and explain to eligible members the "HPE Program

Policy and Enrollment" form;

(J) Assist HPE applicants with the completion of a full SoonerCare application within ~~15~~fifteen (15) days of the HPE application submission to the OHCA;

(K) Agree to adhere to the processes and procedures established by the OHCA regarding the operation and oversight of the HPE program; and

(L) Cooperate with the OHCA regarding audit and quality control reviews on PE determinations the hospital makes. The agency may terminate the HPE agreement with the hospital if the hospital does not meet the standards and quality requirements set by the OHCA.

(3) **Limited hospital PE determinations.** The agency limits the PE determinations that a hospital may make to only those eligibility groups described in OAC 317:35-6-38(a)(1)(A) using the MAGI methodology rules established for the HPE program. Additionally, PE determinations made for individuals categorically related to the Breast and Cervical Cancer ~~Treatment~~(BCC) treatment program are limited to qualified hospitals that are also qualified entities through the ~~NBCCEDP~~National Breast and Cervical Cancer Early Detection Program (NBCCEDP).

(b) **General provisions of the HPE program.** The agency provides SoonerCare coverage to eligible individuals covered during a period of PE.

(1) **PE period.** The PE period begins on the date a qualified hospital determines an individual to be eligible under the HPE program. A qualified hospital has ~~5~~five (5) days to notify the agency of its PE determination. The PE period ends with the earlier of:

(A) The day the agency receives the SoonerCare application form as described in OAC 317:35-5-60 and an eligibility determination is made by the agency; or

(B) If a SoonerCare application is not received, the last day of the month following the month in which the PE determination was made.

(2) **Agency approval of PE.** When the OHCA receives a timely and completed HPE application, a case number and, if needed, SoonerCare member ID is assigned to the member by the agency. Qualified hospitals will be able to review member enrollment and eligibility, once those members have been entered into the system by the OHCA, for claims billing and member eligibility verification.

(3) **Incomplete HPE applications.** Upon receiving a HPE ~~Application~~application, the OHCA reviews it for completeness and correctness. The HPE application is considered incomplete if it is not filled out in its entirety (e.g., the applicant's

first or last name is not provided on the application) or if the application is not filed timely with the OHCA. When the HPE application is determined to be incomplete, the HPE application is returned to the AHE or the HPE program administrator at the qualified hospital to correct the application errors or amend the HPE application. To maintain the original PE certification period, the qualified hospital must return the completed or corrected HPE application to the agency within five (5) working days.

(4) **Applicant appeal.** The HPE applicant cannot appeal the PE determination made by a qualified hospital or the expiration date of the PE period.

(5) **Applicant ineligibility.** Applicants ineligible for the HPE program are individuals who do not meet the HPE criteria, individuals who have previously been enrolled in the HPE program within the last ~~365~~three hundred sixty-five (365) days, and individuals currently enrolled in SoonerCare. Individuals currently enrolled in SoonerPlan ~~Family Planning~~family planning are not eligible for HPE family planning services, but may be eligible for other programs under HPE. When the OHCA receives a HPE application from a qualified hospital for an ineligible applicant ~~(e.g., the applicant has been previously enrolled in the HPE program within the last 365 days)~~[e.g., the applicant has been previously enrolled in the HPE program within the last three hundred sixty-five (365) days], the OHCA will disenroll the individual from the HPE program immediately and notify the hospital of the error. The hospital will be responsible for following up with that individual to notify them of their disenrollment from the HPE program. If the applicant is not currently enrolled into SoonerCare, the applicant may submit a full SoonerCare application and receive a full eligibility determination by the OHCA. HPE services provided to ineligible applicants, other than persons currently enrolled into SoonerCare or SoonerPlan ~~Family Planning~~family planning program, may not be eligible for reimbursement by the OHCA.

SUBCHAPTER 7. MEDICAL SERVICES

PART 1. GENERAL

317:35-7-1. Scope and applicability

~~The rules in this Subchapter apply when determining eligibility for Medical Services under Medicaid.~~ The rules in this Subchapter apply when determining eligibility for medical services for children who are reported by OKDHS as being in custody and individuals categorically related to: Aged, Blind and Disabled (ABD); Tuberculosis; SoonerPlan family planning program; Qualified

Medicare Beneficiary Plus (QMBP); Qualified Disabled Working Individual (QDWI); Specified Low-Income Medicare Beneficiary (SLMB); Qualifying Individual (QI-1); and TEFRA.

PART 7. CERTIFICATION, REDETERMINATION AND NOTIFICATION

317:35-7-60. Certification for SoonerCare

~~(a) The rules in this Section apply to all categories of eligibles~~ **~~EXCEPT:~~**

~~(1) categorically needy SoonerCare members who are categorically related to AFDC or Pregnancy Related Services, AND~~

~~(2) who if eligible, would be enrolled in SoonerCare, or~~

~~(3) individuals categorically related to the Family Planning Program.~~

~~(b) An individual determined eligible for SoonerCare may be certified for a medical service provided on or after the first day of the third month prior to the month of application if all eligibility criteria are met during the three month period. The certification period is determined beginning with the month the medical service was received or expected to be received or the month of application for categorically needy cases in which a medical service has not been received. The period of certification may cover retroactive or future months.~~

~~(1) **Certification as categorically**. A categorically needy individual who is categorically related to ABD is assigned a certification period of 12 months. A categorically needy individual who is determined eligible for a State Supplemental Payment (SSP) is certified effective the month of application. If the individual is also eligible for payment for medical services received during the three months preceding the month of application, the SoonerCare benefit is certified for the appropriate months. If the individual is not eligible for SSP, the first month of certification is the month that a medical service was provided or, if no medical service was provided, the month of application.~~

~~(1) **Certification of individuals categorically needy and categorically related to ABD.** The certification period for the individual categorically related to ABD can be assigned for up to 12 months. The individual must be determined as categorically needy for each month of the certification period. The certification period is 12 months unless the individual:~~

~~(i) is certified as eligible in a money payment case during the 12 month period;~~

~~(ii) is certified for long-term care during the 12 month period;~~

~~(iii) becomes ineligible for medical assistance after the~~

~~initial month;~~
~~(iv) becomes ineligible as categorically needy; or~~
~~(v) is deceased.~~
~~(B) **Certification period.** If any of the situations listed in subparagraph (A) of this paragraph occur after the initial month, the case is closed by the worker.~~
~~(i) If income and/or resources change after certification causing the case to exceed the categorically needy maximums, the case is closed.~~
~~(ii) A pregnant individual included in an ABD case which closes continues to be eligible for pregnancy related services through the postpartum period.~~

(a) **General.** The rules in this Section apply to the following categories of eligibles:

(1) Categorically needy SoonerCare members who are categorically related to Aged, Blind, and Disabled (ABD);

(2) Categorically needy SoonerCare members who are categorically related to ABD, and are eligible for one of the following:

(A) Qualified Medicare Beneficiary Plus (QMBP);

(B) Qualified Disabled and Working Individual (QDWI);

(C) Specified Low-Income Medicare Beneficiary (SLMB);

(D) Tuberculosis (TB) related services;

(E) Qualifying Individual (QI); or

(F) Tax Equity and Fiscal Responsibility Act (TEFRA).

(b) **Certification of individuals categorically needy and categorically related to ABD.** The certification period for the categorically needy individual who is categorically related to ABD can be up to twelve (12) months from the date of certification. The individual must meet all factors of eligibility for each month of the certification period. The certification can be for a retroactive period of coverage, during the three (3) months directly before the month of application, if the individual received covered medical services at any time during those three (3) months and would have been eligible for SoonerCare at the time he or she received the services. The cash payment portion of the State Supplemental Payment (SSP) may not be paid for any period prior to the month of application.

(1) The certification period is twelve (12) months unless the individual:

(A) Is certified as eligible in a money payment case during the twelve (12) month period;

(B) Is certified for long-term care during the twelve (12) month period;

(C) Becomes ineligible for medical assistance after the initial month;

(D) Becomes ineligible as categorically needy; or

(E) Is deceased.

(2) If any of the situations listed in subparagraph (1) of this paragraph occur after the initial month, the case is closed by the worker.

(A) If income and/or resources change after certification causing the case to exceed the categorically needy maximums, the case is closed.

(B) A pregnant individual included in an ABD case which closes continues to be eligible for pregnancy related services through the postpartum period.

~~(2)~~ (c) **Certification of individuals categorically related to ABD and eligible as ~~Qualified Medicare Beneficiaries Plus~~QMBP**. The SoonerCare benefit may be certified on the first day of the third month prior to the month of application or later. If the individual receives Medicare and is eligible for SSP, the effective date of certification for the Medicare Part B premium buy-in is the month of certification for SSP. If the individual receives Medicare and is not eligible for SSP, the effective date of certification for the Medicare Part B premium buy-in is the first day of the month following the month in which the eligibility determination is made (regardless of when application was made).

~~(A)~~ (1) An individual determined eligible for QMBP benefits is assigned a certification period of ~~12~~twelve (12) months. At any time during the certification period that the individual becomes ineligible, the case is closed using regular negative action procedures.

~~(B)~~ (2) At the end of the certification period a redetermination of QMBP eligibility is required, using the same forms and procedures as for ABD categorically needy individuals.

~~(3)~~ (d) **Certification of individuals categorically related to ABD and eligible as ~~Qualified Disabled and Working Individual~~QDWI**. The Social Security Administration (SSA) is responsible for referrals of individuals potentially eligible for QDWI. Eligibility factors verified by the SSA are Medicare Part A eligibility and discontinuation of disability benefits due to excessive earnings. When the OKDHS State ~~Office~~office receives referrals from the SSA, the county will be notified and is responsible for obtaining an application and establishing other factors of eligibility. If an individual contacts the county office stating he/she has been advised by SSA that he/she is a potential QDWI, the county takes a SoonerCare application. The effective date of certification for QDWI benefits is based on the date of application and the date all eligibility criteria, including enrollment for Medicare Part A, are met. For example, if an individual applies for benefits in October and is already enrolled in Medicare Part A, eligibility can be effective October 1 ~~(~~[or up to three (3) months prior to October 1, if all eligibility criteria

are met during the three (3) month period~~)~~]. However, if in the example, the individual's enrollment for Part A is not effective until November 1, eligibility cannot be effective until that date. Eligibility can never be effective prior to July 1, 1990, the effective date of this provision. These cases will be certified for a period of ~~12~~twelve (12) months. At the end of the ~~12-month~~twelve (12) month period, eligibility redetermination is required. If the individual becomes ineligible at any time during the certification period, the case is closed.

~~(4)~~(e) **Certification of individuals categorically related to ABD and eligible as ~~Specified Low-Income Medicare Beneficiary (SLMB)~~SLMB.** The effective date of certification of SLMB benefits may begin on the first day of the third month prior to the month of application or later. A certification can never be earlier than the date of entitlement of Medicare Part A. An individual determined eligible for SLMB benefits is assigned a certification period of ~~12~~twelve (12) months. At any time during the certification period the individual becomes ineligible, the case is closed using standard negative action procedures. At the end of the certification period a redetermination of SLMB eligibility is required. A redetermination of SLMB eligibility must also be done at the same time a dually eligible individual has a redetermination of eligibility for other SoonerCare benefits such as long-term care.

~~(5)~~(f) **Certification of individuals categorically related to disability and eligible for TB related services.**

~~(A)~~(1) An individual determined eligible for TB related services may be certified the first day of the third month prior to the month of application or later, but no earlier than the first day of the month the TB infection is diagnosed.

~~(B)~~(2) A certification period of ~~12~~twelve (12) months will be assigned. At any time during the certification period that the individual becomes ineligible, the case is closed using the regular negative action procedures.

~~(C)~~(3) At the end of the certification period a new application will be required if additional treatment is needed.

~~(6)~~(g) **Certification of individuals categorically related to ABD and eligible as ~~Qualifying Individuals~~QI.** The effective date of certification for the QI-1 may begin on the first day of the third month prior to the month of application or later. A certification can never be earlier than the date of entitlement of Medicare Part A. An individual determined eligible for QI benefits is assigned a certification period of ~~12~~twelve (12) months. At any time during the certification period the individual becomes ineligible, the case is closed using standard negative action procedures. At the end of the certification period, a redetermination of QI eligibility is required.

~~(A)~~(1) Since the State's allotment to pay Medicare premiums for this group of individuals is limited, the State must limit the number of QIs so that the amount of assistance provided during the year does not exceed the State's allotment for that year.
~~(B)~~(2) Persons selected to receive assistance are entitled to receive assistance with their Medicare premiums for the remainder of the federal fiscal year, but not beyond, as long as they continue to qualify. The fact that an individual is selected to receive assistance at any time during the year does not entitle the individual to continued assistance for any succeeding year.

~~(7)~~(h) **Certification of individuals ~~Related~~related to Aid to the Disabled for TEFRA.** The certification period for individuals categorically related to the Disabled for TEFRA is ~~12~~twelve (12) months.

SUBCHAPTER 10. OTHER ELIGIBILITY FACTORS FOR FAMILIES WITH CHILDREN AND PREGNANT WOMEN

PART 3. RESOURCES

317:35-10-10. Capital resources

Capital resources are disregarded for individuals related to the children, parent and caretaker relative, former foster care children, SoonerPlan family planning program, expansion adults, or pregnancy eligibility groups, including pregnancies covered under Title XXI. Countable income generated from any resource is considered in accordance with Part 6 of Subchapter 6 of this Chapter.

PART 5. INCOME

317:35-10-26. Income

(a) **General provisions regarding income.**

(1) The income of categorically needy individuals who are related to the children, ~~parent or caretaker relative~~parent/caretaker relative, SoonerPlan family planning program, ~~or~~ Title XIX and XXI pregnancy eligibility groups or expansion adults does not require verification, unless questionable. If the income information is questionable, it must be verified. If there appears to be a conflict in the information provided, the worker must investigate the situation to determine if income verification is necessary.

(2) All available income, except that required to be disregarded by law or ~~OHCA's~~Oklahoma Health Care Authority's (OHCA's) policy, is taken into consideration in determining need. Income is considered available both when it is actually available and

when the applicant or member has a legal interest in a liquidated sum and has the legal ability to make such sum available for support and maintenance. When an individual's income is reduced due to recoupment of an overpayment or garnishment, the gross amount before the recoupment or garnishment is counted as income. The member is responsible for reporting all income, the source, amount and how often received.

(A) Income received on behalf of a member of the benefit group by another individual such as, but not limited to, a guardian or conservator, is considered available to the benefit group.

(B) Money received and used for the care and maintenance of a third party who is not included in the benefit group is not counted as income if it can be identified and verified as intended for third party use.

(C) If it appears any member of the benefit group or an individual whose income is considered when determining eligibility is eligible for any type of income or benefits, the benefit group must be notified in writing by the ~~Oklahoma Health Care Authority (OHCA)~~OHCA. The notice must contain the information that failure to apply for and take all appropriate steps to obtain such benefits within ten (10) days from the date of the notice will result in a determination of ineligibility. An application for Supplemental Security Income (SSI) is not required.

(D) If the member and spouse are living together or they are living apart but there has not been a clear break in the family relationship, income received by either spouse and income received jointly is considered as family income. Income cannot be diverted to a household member who is not included in the household size for health benefits. Consideration is not given to ~~a~~an SSI recipient's income in computing eligibility for the AFDC or Pregnancy related unit. The ~~MAGI~~Modified Adjusted Gross Income (MAGI) methodology rules determine whose income is considered in a particular household for MAGI eligibility groups as defined in ~~OAC~~Oklahoma Administrative Code (OAC) 317:35-6-1.

(E) Income which can reasonably be anticipated to be received is considered to be available for the month its receipt is anticipated.

(F) Income produced from resources must be considered as unearned income.

(3) Income that must be verified is verified by the best available information such as pay stubs presented by the member or an interview with the employer. If OHCA is unable to verify income through the Oklahoma Employment Securities Commission, then pay stubs may only be used for verification if they have

the member's name and/or social security number indicating that the pay stubs are in fact the member's wages. The stubs should also include the date(s) of the pay period and the amount of income before deductions. If this information is not included, employer verification is required. The worker verifies medical insurance which may be available at the same time that income is verified. When a member of the benefit group accepts employment and has not received any wages, verification (if necessary) of the amount of income to be considered and the anticipated date of receipt must be obtained from the employer and provided to OHCA within ten (10) days. Income which is expected to be received during a month is considered available to the benefit group and is counted in determining eligibility for the month of receipt.

(4) Monies received in a lump sum from any source are considered income in the month received, with the exception of certain lottery or gambling winnings as specified in OAC 317:35-6-55. Changing a resource from one form to another, such as converting personal property to cash, is not considered a lump sum payment. Exception: lump sum payments used to establish dedicated bank accounts by representative payees in order to receive and maintain retroactive SSI benefits for disabled/blind children under age eighteen (18) are excluded as income. The interest income generated from dedicated bank accounts is also excluded.

(A) Whether a source of income is countable for MAGI eligibility groups is determined in accordance with Part 6 of Subchapter 6 of this Chapter.

(B) Whether a source of income is countable is determined in accordance with Part 6 of Subchapter 6 of this Chapter.

(C) When a lump sum is received by a stepparent not included in the household size, only the stepparent's contribution is considered in accordance with the stepparent's liability policy. Income received by a stepparent is considered in accordance with MAGI household and income counting rules.

(D) When a third party reveals that a lump sum payment has been received or is expected to be received by the applicant or member, adverse action notification is given or mailed to the applicant/member and appropriate action taken.

(E) Recurring lump sum income received from any source for a period covering more than one (1) month, that is received in a lump sum recurrently (such as annual rentals from surface or minerals, Windfall Profits tax refund, etc.) is prorated over a period of time it is intended to cover, beginning with the month of receipt of a lump sum payment.

(F) Net income from oil and gas production (gross minus production taxes withheld), received in varying amounts on a regular or irregular basis for the past six (6) months,

will be averaged and considered as income for the next six (6) months. In instances where an applicant or a member receives new income from oil and gas production and verification for the past six (6) months is not available, the worker accepts the available verification and averages over the period of time intended to cover. Net income may be verified by seeing the individual's production check stub, or by contacting the oil and gas company. Whether a source of income is countable is determined in accordance with Part 6 of Subchapter 6 of this Chapter.

(5) Income that is based on the number of hours worked, as opposed to income based on regular monthly wages, must be computed as irregular income. The income received irregularly or in varying amounts will be averaged using the past two (2) months to establish the amount to be anticipated and considered for prospective budgeting.

(6) MAGI household rules are used to determine whether a caretaker relative or stepparent is included in a household.

(A) MAGI household and income counting rules are used to determine whether a caretaker relative and his/her spouse or a stepparent are included in the household and whether their income is considered for the children.

(B) MAGI household and income counting rules are used to determine whose income is considered and whether that income is counted. If an individual is eligible in the parent or caretaker relative group, his/her spouse, if living with him/her, is also related to the parent or caretaker relative group.

(7) A stepparent, if living with the parent or caretaker relative, can also be related to the parent or caretaker relative group, regardless of whether the parent is incapacitated or not in the home.

(8) MAGI household and income counting rules are used to determine whose income is considered and whether that income is counted.

(b) **Earned income.** The term "earned income" refers to monies earned by an individual through the receipt of wages, salary, commission or profit from activities in which the individual is engaged as self-employed or as an employee. Whether income is countable for MAGI eligibility groups is determined using MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

(1) **Earned income from self-employment.** For MAGI eligibility groups, the calculation of countable self-employment income is determined in accordance with MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

(2) **Earned income from wages, salary or commission.** Countable income for MAGI eligibility groups is determined in accordance

with MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

(3) **Earned income from work and training programs.** Countable income for MAGI eligibility groups is determined in accordance with MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

(4) **No individual earned income exemptions.** No earned income exemptions are subtracted to determine countable income for MAGI eligibility groups. The only deduction applied to determine net countable income under the MAGI methodology is the deduction of five percent (5%) of the ~~FPL~~Federal Poverty Level (FPL) for the individual's household size as defined in OAC 317:35-6-39.

(5) **Formula for determining the individual's net earned income for MAGI eligibility groups.** To determine net income, see MAGI rules in OAC 317:35-6-39.

(c) **Unearned income.** Countable earned and unearned income for MAGI eligibility groups is determined in accordance with MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

(d) **Income disregards.** For MAGI eligibility groups, whether a source of income is disregarded is determined in accordance with MAGI income counting rules in Part 6 of Subchapter 6 of this Chapter.

~~(g)~~(e) **Computing monthly income.** In computing monthly income, cents will be rounded down at each step. Income which is received monthly but in irregular amounts is averaged using two (2) month's income, if possible, to determine income eligibility. Less than two (2) month's income may be used when circumstances (e.g., new employment, unpaid sick leave, etc.) would indicate that previous income amounts would not be appropriate to use in determining future income amounts. Income received more often than monthly is converted to monthly amounts as follows:

(1) **Daily.** Income received on a daily basis is converted to a weekly amount then multiplied by 4.3.

(2) **Weekly.** Income received weekly is multiplied by 4.3.

(3) **Twice a month.** Income received twice a month is multiplied by two (2).

(4) **Biweekly.** Income received every two (2) weeks is multiplied by 2.15.
