

Provider Reimbursement Notice **SHOPP Update**

OHCA PRN 2025-02

April 23, 2025

RE: SHOPP Update

Dear Hospital Administrators,

A new version of the CY 2025 FFS SHOPP Allocation has been posted to the OHCA website. You will see the payment in your account on April 30, 2025. These are payments for services to the FFS SoonerCare population.

The calculation has been updated. The **inpatient amounts** changed due to an error in a formula. The error caused the inpatient paid amount to be added twice for some hospitals.

The **outpatient amounts** that were paid in January were overstated due to an issue regarding the billed amounts in the outpatient data. Many providers will not receive an outpatient payment this quarter due to the overpayment made in January. Many hospitals will still have a remaining outpatient adjustment next quarter, but the impact will be far less.

If you have any questions or require additional information, please contact Provider Reimbursement by email at: ProvReimb@okhca.org.

Thank you for your continued service to Oklahoma's SoonerCare members.
