Re: Soon-to-be-Sooners Dental Benefits

Dear Provider,

Effective January 1, 2022, Soon-to-be-Sooner members (STBS/STBS-M) are eligible for limited dental benefits, which are necessary for the health and well-being of the unborn child during pregnancy and birth. Providers will be compensated for providing certain diagnostic, preventive, and periodontal dental services to this population when medically necessary and for the benefit of the unborn child.

Qualifying procedure codes can be found in the fee schedule at the following link:

Thank you for your continued service to Oklahoma's SoonerCare members.

Sincerely,

Melody Anthony
