

Total Unduplicated Provider Count
24,688

All subsequent provider counts were derived from the total unduplicated provider count. Some providers may be counted in multiple programs.

A group provider is a corporation that houses multiple individual providers. In order to provide a more accurate count, the group's individual providers were counted instead of the group provider.

Total Unduplicated Newly Enrolled Provider Count
298

Total unduplicated newly enrolled provider count was determined by the number of newly unduplicated provider IDs added during the month of this report.
