Subject: **SoonerScribe**

Attention all SoonerScribe Users:

This message is to announce that SoonerScribe will no longer be offered. This system was used by providers to look up information on SoonerCare patients as well as route prescriptions electronically on their behalf.

The contract for SoonerScribe expires June 30, 2011. After that there will be a two week window to transition providers off of the system. During those two weeks we will be removing all data from the system, as well as inactivating all user accounts. Please be aware that if you are no longer able to login to SoonerScribe starting June 30th, 2011 it is not a system error.

It is recommended that if you are using this system regularly you notify your office of its removal immediately.
