SoonerExcel Payments

Dear SoonerCare Medical Home Providers:

SoonerCare Patient Centered Medical Home Providers (PCMH) SoonerExcel payments will vary based on how you choose to contract with the Oklahoma Health Care Authority (OHCA).

If PCMHs / Providers choose to have their panels assigned to themselves rather than the group:

- Care coordination payments will come directly to them rather than the group.
- Incentive payment will come directly to them rather than the group.
- Fee-for-service payments will come directly to them rather than the group.
- They will receive a 1099 for care coordination, incentive and fee-for-service payments under their social security number.
- They will not be eligible for the EPSDT.

If PCMHs / Providers choose to have their panels assigned to the group rather than to themselves:

- All care coordination payments for all PCMHs / Providers in the group will be paid to the group; there will be no distinguishing which payments are for which PCMHs / Providers.
- All incentive payments for all PCMHs / Providers in the group will be paid to the group; there will be no distinguishing which payments are for which PCMHs.
- All fee-for-service payments for all PCMHs / Providers in the group will be paid to the group; there will be no distinguishing which payments are for which PCMHs.
- The group will receive a 1099 for all payments under its FEIN.
- PCMHs / Providers will be eligible for all incentive payments that apply to their patient population.

If you have any questions concerning your SoonerExcel payments please contact OHCA Finance at (405) 522-7054; for questions regarding your SoonerCare contract please contact Provider Contracts at (405) 522-6205.

Thank You
