Comprehensive Primary
Care Initiative (CPCi)
Greater Tulsa Region

Board Retreat 2012

www.okhca.org

Mission of CPCi

Through the collaboration of public and private payers working together, we will establish a model for the purchase and delivery of comprehensive primary care that will reduce cost across the country.

CPCi Timeline

- **September-December 2011:** Applications submitted to Center for Medicare and Medicaid Innovation (CMMI)
- **April 2012:** Selected payer markets notified; Kick-off webinar
- **May 2012:** Face to face meeting in Washington
- **June 2012:** MOU signed between OHCA and CMMI
- **June 6 - July 20, 2012:** Practice application period
 - 108 applications received from our region
 - Up to 75 can be selected

CPCi Counties

Practice Eligibility Criteria

Practice Selection Criteria

What's Next

- **August 2012:**
 - CMS sent individual e-mail notices to payers and the practices selected
 - CMS will send individual e-mail notice to payers and next round of practices selected (if any 1st round practices opted out)
 - CMS national market kickoff –comprehensive public notification of all participating practices
- **Early Sept:** CMS to host national kickoff webinar for all payers/practices
- **Early October:** CMS plans a joint in-person Tulsa region learning session with the selected practices.

Selected Practices

68 total practice locations were selected

54 were multi-provider

14 were individual providers

41 are PCMH locations covering over **31,000** Choice members

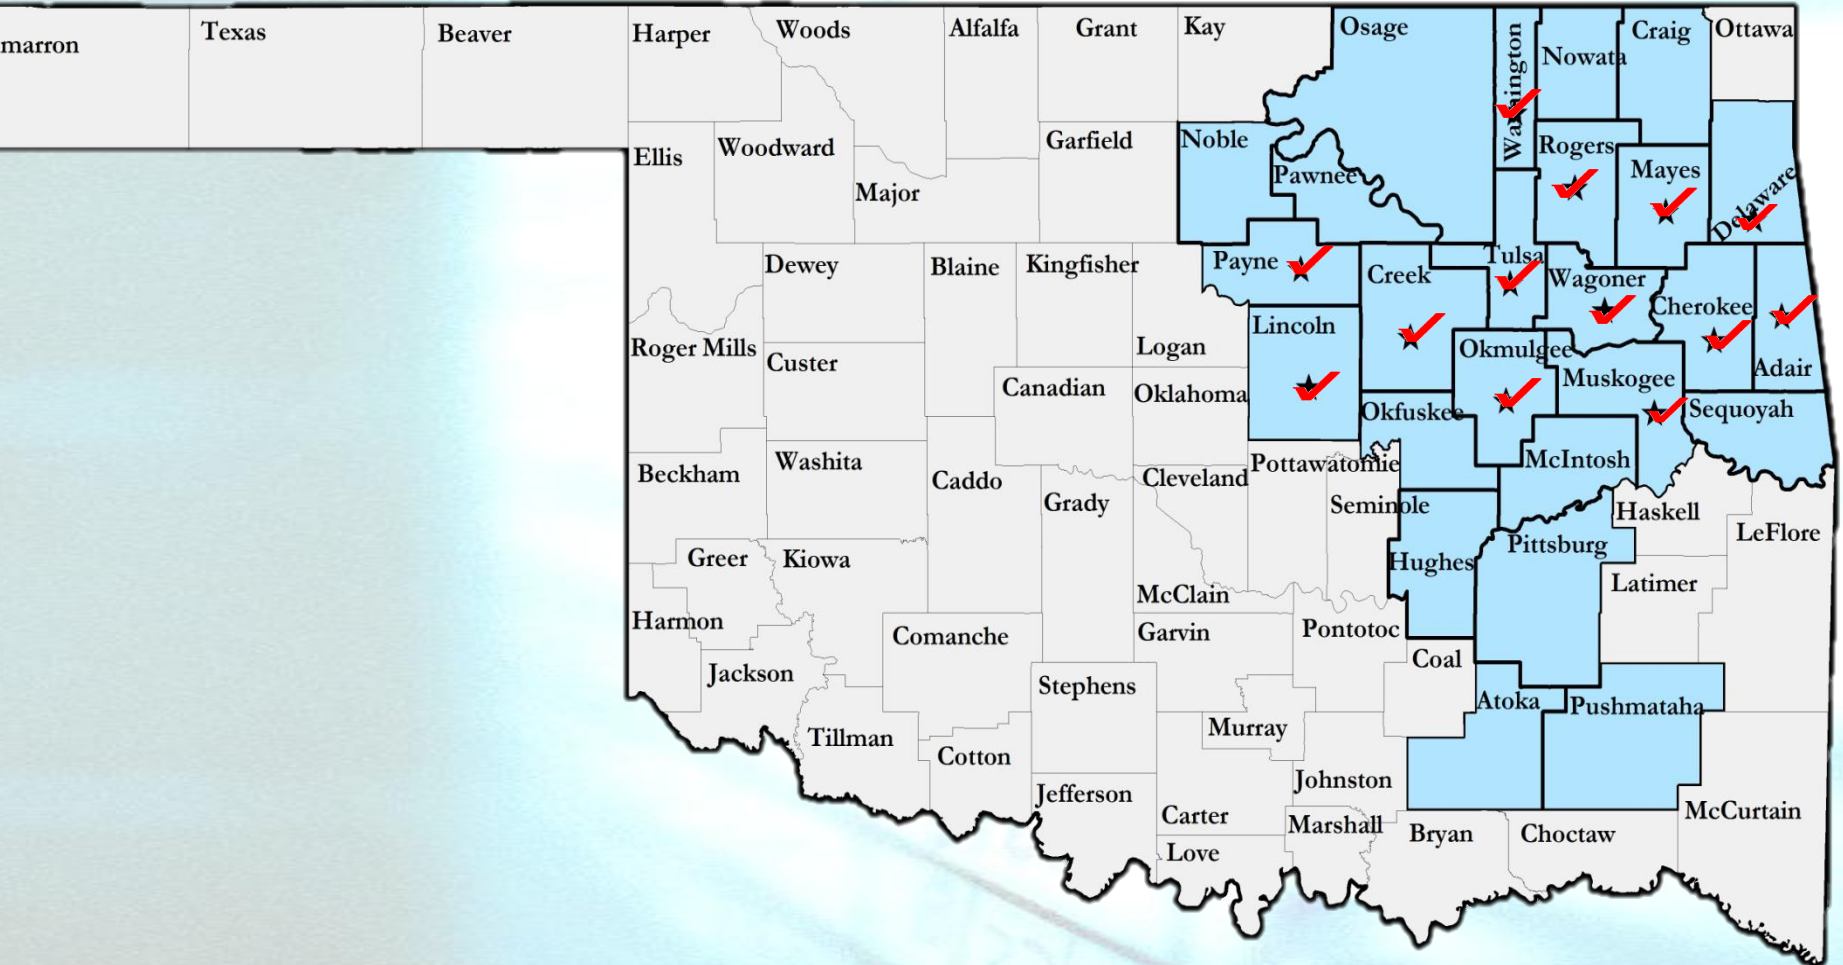

6 Tier 1

23 Tier 2

12 Tier 3

All are SoonerCare providers, and located in 13 of 25 possible counties

CPCi Selected Counties

Year One Milestones

- Produce annual budget or forecast
- Arrange care management for high risk patients
- Provide 24/7 patient access through EHR
- Improve patients experience of care
- Improve the office provider/care team
- Demonstrate engagement across the medical neighborhood
- Improve patient shared decision making
- Participate in market based learning collaborative
- Meet requirements for Stage 1 meaningful use

Impact

Changes within the primary care office is critical to achieving the three part aim of promoting health, improving care, and reducing cost.
