

SoonerSelect Medical Contracted Entity (CE) Requests to Change Service Provisions

The SoonerSelect Medical Contract at Section 1.7: Covered Benefits and Section 1.8: Medical Management states that medical contracted entities (CEs) may not impose prior authorization guidelines/criteria or utilization management practices that are more restrictive than OHCA without OHCA prior approval.

On June 18, 2025, Humana Healthy Horizons of Oklahoma submitted a formal request to OHCA for review and approval to change service provisions.

OHCA subject matter experts (SMEs) reviewed the requests, evaluating them in comparison to OHCA historical processes and practices, standard business practice in other markets, and available data to determine whether to approve the requests.

OHCA decisions are noted in the table below:

SoonerSelect Medical Requests to Change Service Provisions				
PROCEDURE CODE(S) IMPACTED	OHCA'S CURRENT CLAIMS PROCESSING PROTOCOL	PROPOSED MODIFICATION TO CLAIMS PROCESSING PROTOCOL	ANTICIPATED IMPACT	OHCA DECISION
0016U 0017U 0022U 0023U	OHCA currently requires prior authorization for the procedure codes listed.	Humana will not require prior authorization for the procedure codes listed.	Humana expects minimal impact by not adding prior authorization requirements for these codes. Codes 0016U, 0017U, and 0022U do not have any claims for any Humana line of business. While code 0023U has claims, they are minimal.	APPROVED for dates of service on or after 7/1/2025.
