

SoonerSelect Medical Contracted Entity (CE) Requests to Change Service Provisions

The SoonerSelect Medical Contract at Section 1.7: Covered Benefits and Section 1.8: Medical Management states that medical contracted entities (CEs) may not impose prior authorization guidelines/criteria or utilization management practices that are more restrictive than OHCA without OHCA prior approval.

On September 22, 2025, Humana Healthy Horizons of Oklahoma (HHH), submitted a formal request to OHCA for review and approval to change service provisions.

On October 22, 2025, Aetna Better Health of Oklahoma (ABHOK) submitted the same formal request to OHCA for review and approval to change service provisions.

OHCA subject matter experts (SMEs) reviewed the requests, evaluating them in comparison to OHCA historical processes and practices, standard business practice in other markets, and available data to determine whether to approve the requests.

OHCA decisions are noted in the table below:

SoonerSelect Medical Requests to Change Service Provisions				
OHCA'S CURRENT CLAIMS PROCESSING PROTOCOL	PROPOSED MODIFICATION TO CLAIMS PROCESSING PROTOCOL	REASON FOR PROPOSED CHANGE	ANTICIPATED IMPACT	OHCA DECISION
Not Adding Prior Authorization Requirements for a Specific HCPCS Code				
T2101 – Human Breast Milk Processing, Storage, and Distribution	Humana Healthy Horizons of Oklahoma, and Aetna Better Health of Oklahoma, are requesting to not add this code to their Prior Authorization list.	Code T2101 does not have any claims for any Humana line of business. Both Humana and Aetna do not feel the addition of this code to their prior authorization list would be beneficial.	Neither Humana nor Aetna anticipate any significant impact or spending increase by not adding this code.	Humana – Approved 10/10/2025 Aetna – Approved 10/23/2025 <i>Item will be presented at the November 2025, MAC meeting</i>
