

Please submit completed request form to the following: CP.Feedback@omes.ok.gov

1. Agency Name: Oklahoma Department of Corrections Agency Number: 131

2. Describe in detail acquisition to be made:

119 VooDoo branded lightweight tactical carrier vests with 238 armored plates (front and back) to be used by correctional staff inside the facility at Allen Gamble Correctional Center.

3. Name of Supplier: CoreCivic Cost of Acquisition: \$50,000.00

4. Supplier Contact: Lane Blair Email address: lane.blair@corecivic.com

5. Reason for exemption: Unique opportunity to purchase these.

6. Benefit to the State of Oklahoma:

ODOC has taken over daily operations of this facility and this stock is currently on hand. ODOC correctional staff can utilize them as there is an immediate need for them for the safety and security of the staff. These are necessary to ensure staff is adequately protected from threats by the inmate population. Buying these from CoreCivic would realize a 23% savings from the next lowest cost supplier that ODOC could identify. Combat Sport Supply offers these at \$65,087.05, Mad City Outdoor at \$65,198.91 and Optics Planet at \$67,574.15.

7. Comparable items to acquisition item with comparable cost and resultant significant savings to the state:

Supplier A:

Item None Cost: _____ Savings to the state: _____

Supplier B:

Item None Cost: _____ Savings to the state: _____

(If necessary, please attach additional page(s) to provide justification)

The State Purchasing Director shall take no action under the provisions of this paragraph prior to the publication of a document describing the significant savings realized by the state.

The State Purchasing Director certifies that it is necessary to exempt the above listed procurement from the Central Purchasing Act because the procurement is unusual, time-sensitive, or unique and therefore the exemption of the procurement is in the best and immediate interest of the state as per 74 O.S. §85.7.A.7.

Mr. Blair,

In order for ODOC to request an exemption from competitive bidding (anything considered an open market purchase over \$50,000.00 has to be formally bid through the Oklahoma Office of Management & Enterprises – Central Purchasing Division), ODOC has to show them a significant cost savings to the State.

Through some research, we have found these vests and plates from several retailers that are cheaper than the \$71,000.00 that CoreCivic is offering ODOC. I've included a few examples of the totals below, for your reference.

- Combat Sport Supply - \$65,087.05
- Mad City Outdoor - \$65,198.91
- Optics Planet - \$67,574.15

Unfortunately, I do not believe that they would approve our request unless CoreCivic were to lower than cost on these substantially, closer to a total of \$50,000.00.

Is this something that CoreCivic would consider? If not, would you have a counter offer for these that we could submit for review?

If we are not authorized by the Central Purchasing division to procure these directly from CoreCivic, we will be required to submit a request for them to solicit formal bid responses for these, which could take months to complete.

Let me know if you have any questions or need additional information. Thank you for your time and consideration.

Mr. Blair,

When you get a chance, I was hoping that you could provide me some information in regards to the attached letter in reference to VooDoo Tactical vests that your company is offering to the Oklahoma Department of Corrections as I would need to supply this information to the State of Oklahoma Central Purchasing unit in order for them to issue a purchase order for this.

Specifically what model are these vests? Do they come with additional panels? What are the expiration dates for these vests?

Thank you very much.
