

CPO Announcement: Supplier added to SW0771M

Date: Dec. 5, 2025

Category manager: [Danny Henderson](#)

OMES Central Purchasing has added Uber to statewide contract [SW0771M](#) for transportation services.

SW0771M is a mandatory contract; however, exception requests are only required for purchases greater than \$5,000. **This contract is not meant to replace the functions of OMES CAM Fleet Management.**

Learn more below!

Contract benefits

- Discounted rideshare fares.
- A wide range of mobility products that extend beyond the conventional scope of a rideshare or transportation company.

FAQ

What value-adds are available on this contract?

- Personal rewards through Marriott Bonvoy points and Delta SkyMiles. Users can also access Uber One for free for 12 months.

What is the pricing structure of this contract?

- Uber allows flexible payment options, including direct billing, P-card payment, personal payment and Uber vouchers.

How can state entities access Uber's services?

- To use Uber under SW0771M, users must sign up for an account under the state's dashboard. Refer to the [Oklahoma Statewide Contract search page](#) for onboarding information and additional program features.

Categories include:

78111800: Passenger road transportation.

SW1073 offers:

Uber for Business dashboard: A centralized platform that gives agencies complete visibility and control over rideshare programs. This includes access to use business profiles, Uber vouchers and Uber Central's ride dispatching tool.

Uber Health dashboard: Streamline health care transportation with a tailored platform. Schedule patient rides, manage non-emergency medical transportation services and optimize health care logistics.

Uber Shuttle: Design custom routes and schedules for efficient shuttle services. Ideal for employee commutes, student transport and community-focused programs.

Visit the [statewide contract site](#) for current information on all contracts.
